TEACHING NEW DANCERS THE SOCIAL SQUARE DANCE PROGRAMME

INTRODUCTION

This series of lessons is designed to help you, a new or newer Caller, to organize and programme your lessons for teaching Social Square Dancing (SSD) to brand new dancers. If you are a brand new caller, welcome to a new and exciting world!

You may indeed be able to teach all 12 Lessons in 12 weeks, but I believe that some of the lessons might have too much content to be teachable in a 1½ - 2 hour lesson - especially since there is a need to review the previous Teach in your first Tip each time. I also feel that there is a need to include at least two weeks where the dancers can just dance and enjoy what they have learned so far.

I have therefore broken Lessons 1, 7, 8, 11 and 12 into separate parts. Each Part would be taught in a separate week. (The original 12 week lesson plan is also available.)

I am going to assume three important things:

1. That you can Square Dance.
2. That you can sing.
3. That you can hear and follow the musical beat.

If you have never Square Danced, then this document is not for you! If you are unable to carry a tune, then you must learn ways to compensate - perhaps by having someone else do the singing calls for you or perhaps by having a recording of the song you can play or just “sing without singing” - talking your way through the song.

New dancers often do seem to have two left feet and probably have never been taught to move to music. Take time to emphasize the number of beats a call takes and remind dancers to step to the beat of the music. Count for them in the first few lessons.

One thing that you will have to develop quite quickly is the ability to call Patter, which is the rhythmic chanting of the calls to which the dancers will dance. I suggest you find examples of experienced callers calling Patter so that you can listen to them and get an idea as to how it is done. One good source is the website “Music for Callers”.

If you have an experienced caller living close by, ask him or her to mentor you as you start calling. Attend a Caller School if you are able.

In the Document, Teaching SSD, the **Teaching Routines** are in red, and are not meant to be memorized. For the new and newer caller, I suggest you copy and paste these, Tip by Tip, into your laptop lyrics where you can either read them as you call or be able to glance at them to remind yourself of what it is you will be calling.

The Choreography in the Routines and Singing Calls follows what is known as “Standard Applications.” This refers to well-presented, smooth flowing, well-timed choreography that uses familiar formations and arrangements. It has a very high chance of being danced successfully. There are a few quirky examples put in for fun, but no “Extended Applications” that explore dancing a call from every possible set up and arrangement except at the very end where a few routines are included.

You must be prepared to invest in music and equipment. Square Dance music releases (*See the website: Music For Callers*) in MP3 form, cost on average US \$7.00 per song. There are many, many Square Dance 45 rpm records available for free or at a minimal cost and if you own them, you can record them as MP3s to use on your laptop computer or other electronic device. There are many used Hilton turntables available to use as your amplifier. There are plenty of affordable speakers in music stores. Treat yourself to a good microphone and mic cord. Make sure to test the microphone in the store to see if you like the sound of your voice with it.

Buy, or make, a set of Square Dance checkers or dolls to move so that you can see what happens when you call. Many callers use computer programmes. Some examples of free programmes are:

Taminations

Square View

Callerama

Go to the Callerlab website and read the information on SSD.

Teaching

One essential rule of teaching is: **BE PREPARED** (Plan your work, then work your plan.) Plan each tip for your dances in detail - as has been done in the Teaching Document, both choreography and music. Make a playlist for your music. Don't keep dancers standing and waiting while you fiddle around on your computer. Never single out a particular dancer for correction. Rather than saying, "For Heaven's sake Joe, use your LEFT hand. Don't you know your left from your right?" Say instead, "Remember, everybody, when we do _____, we use our left hand."

Keep your teach short and simple and let them dance what you have taught them. Be sure to have lots of repetition throughout the lesson.

Use lots of praise, "Well done!" "Good job!" "Now you're dancing!"

Light humour in moderation is good: "O.K. I'll see if I can call what you're dancing." "That's not what I called, but it sure looked good!" "The other left hand."

Keep your voice pleasant at all times - even though you will sometimes be mightily frustrated by your dancers!

When you start a new lesson, be sure you review the calls taught in the previous week in your first Tip of the new lesson.

Singing Calls

Singing call choreography (Opener/Break/Closer (OBC) and Figure will be included for each Tip of each lesson. You will have to find the music. (See the website: *Music For Callers*). These singing calls will match the calls that are taught in each Tip.

All singing calls have seven sections: Opener, Figure, Figure, Break, Figure, Figure, Closer. Usually the pattern is to call the Figure Twice for the Heads, then Twice for the Sides. You can also vary the Pattern as Hds, Sds, Sds, Hds but NEVER Hds, Sds, Hds, Sds - two of the ladies will never start the routine.

You must be prepared to change the singing call figures that come with each song you buy, to match the calls you are teaching. This can be difficult for some but with practice becomes easy and is well worth mastering since very few singing calls are written and recorded with the choreography you will need as you teach.

Although SSD *can* be taught in 12 weekly lessons, much depends on the learning and retention ability of the new dancers. Younger dancers learn quickly, older dancers take longer. Be prepared to take time to review. You may not cover everything listed in each lesson but don't panic. Just teach any missed calls the following week. It is important to keep written notes of what you do each week, which calls caused problems and will need review and which calls you missed.

I strongly suggest that you do not emphasize "12 weeks." Dancers will need plenty of floor time to become confident so I urge you to use the time in weeks four and eight to just dance what they have learned, with no new calls being introduced.

Enjoy teaching and having new dancers enjoy the Teach!

SSD LESSON 1 - PART A (WEEK 1)

PART A - TIP 1 FIRST NIGHT CIRCLE DANCE

Your crowd has arrived! It's time to start. Introduce yourself and your partner, if you have one, and welcome everyone to your Social Square Dancing class.

A good suggestion is to start your very first lesson with a Circle dance. Circle dances help break down inhibitions and get the group relaxed, walking to the musical beat and getting used to following instructions.

Below is a very simple circle dance that is easy to call. Each segment has 8 beats of music so, as the caller, you have to cue on beat 6.

FIRST NIGHT CIRCLE DANCE

FORMATION: Large circle facing Centre Of Hall, no partner needed, all hands joined. All start with LEFT FOOT

MUSIC SUGGESTIONS: "Music Box" Riverboat Records 324/1100 or
"Robbie's Reel" Riverboat 1084

INTRO: Wait 8 beats

1. 8 beats CIRCLE LEFT With hands joined, walk 8 steps to the LEFT
2. 8 beats CIRCLE RIGHT With hands joined, walk 8 steps to the RIGHT
3. 8 beats ALL GO FORWARD & BACK With hands joined, walk 4 steps in toward centre of circle and 4 steps back out
4. 8 beats ALL FORWARD & BACK AGAIN
5. 8 beats CIRCLE LEFT With all hands joined, walk 8 steps to the LEFT
6. 8 beats CIRCLE RIGHT With all hands joined, walk 8 steps to the RIGHT
7. 8 beats JUST LADIES FORWARD & BACK Ladies walk 4 steps in toward centre of circle and 4 steps back out
8. 8 beats JUST MEN FORWARD & BACK Men walk 4 steps in toward centre of circle and 4 steps back out. Start again from the beginning

When all are comfortable with the steps above, add some fun by choosing other reasons for moving forward and backward. (Those with red hair, those with glasses, men under 20, those who have travelled to Hawaii, etc.)

Give the dancers a very short break (let them get over their astonishment that they can in fact dance).

SSD LESSON 1 - PART A (WEEK 1)

PART A - TIP 2

Put on a lively Hoedown tune, turn the music down and have everyone find a partner - traditionally man and woman. In this type of partnership, have the men put the lady on their right side. If using same sex partners, they must decide between them, who is dancing the left hand side (traditionally the man's position) and who is dancing the right hand side (traditionally the woman's position). For the ease of description, the rest of this document will refer to traditional man/woman partnerships.

****Callers: It is quite likely that you will have more ladies than men coming to your SSD classes. This is just how it is. If they insist on dancing the lady's side, there may not always be a dance partner available to them. Fortunately, many ladies are "bi-dansual," they can dance either side.**

Have the angels (experienced dancers who are there to fill in) partner any single dancers left over. When all the partners are organized and all are on their proper sides, have the couples walk in a big circle Counter Clockwise around the hall.

Pick out one couple and have them move up, and to the left of, the couple in front of them and promenade (walk) four in line as the next four behind them do the same. Now have the lines of four move up and to the left so that you have lines of eight.

Each line of 8 will stop and the two ends will join hands to make a circle of 8. Each circle of 8 will find its own space on the floor. Have them circle to the Left until one couple in each group has its back to the caller. All stop and drop hands with the couple beside them and form a Square. A little banter helps: "Looking good" "Way to go!" etc.

SQUARE ID: Explain the square numbering: Each couple with its back to the Caller is Couple #1. To their right is Couple #2 and then Couple #3, facing the Caller (or music source), and finally couple #4. The person beside you is known as your partner.

Now say: Couple #1, raise your hands. Couple #2, raise your hands.

Couple #3, raise your hands. Couple #4, raise your hands. Now we know who we are in our Square.

Where you are standing is called your home position. (More about this later.)

Couple 1 and 3 are called the Head couples, while 2 & 4 are the Side Couples.

Head Couples raise your hands. Side Couples raise your hands. Good Job!
Men, look to your left. This person is called your Corner. All the men bow to your Corner. Ladies, look to your Right. This person is called your Corner.
All the Ladies, bow to your Corner. Are we all confused yet? Don't worry, all will become clear!

All this may take about 5 - 10 minutes and they are ready to dance their first Square.

The Routines, in red ink, are for the teacher/caller to say/call with appropriate timing. These routines are short and simple for the purpose of teaching each call in the SSD list. As the teacher/caller, you will be expected to judge if the routines need to be repeated one or more times to assist the dancers in learning them. Each class will be different.

All bold red typing is for spoken instruction.

CIRCLE LEFT AND RIGHT {Circle ½ = 8 Steps Full around = 16 steps.}

All are standing in their Home positions, holding hands in a circle (ring). Face slightly to the left (or right) with the men's palms up and ladies' palms down on the men's hands. Walk forward to the left (or right) using a sliding step rather than a heel and toe walking step. Each step will take one beat of music. Let them hear the beat of the music - count for them if you like - and remind them to slide their feet.

Routine #1: All Circle Left 1/2 way and stop, All Circle Right 1/2 way to home, Bow to your Corner, Bow to your Partner, Circle Left all the way around and back home.

FORWARD & BACK { 8 Counts/Beats - emphasize this} (DEMO NECESSARY)

Heads / Sides: Facing couples, holding inside hands, take three small steps straight forward, and touch* on the fourth step and then, starting with the touching foot, take three steps straight back and touch (stop.) If you meet someone, you may touch hands with them. **Forward and Back should take 8 beats to complete.**

(* a touching step means to touch the toes of the foot to the floor but do not transfer any weight to that foot.)

Routine #1: Heads go Forward and Back, (1, 2 3, touch , Back 2, 3, Stop)
Sides go Forward and Back, (1, 2 3, touch , Back 2, 3, Stop)

Routine #2: All Join Hands, All go forward and Back, (Often called: Eight to the middle and back) (1, 2 3, touch, Back 2, 3, Stop) *They may raise all their hands as they go in, giving a yell and drop them as they come back.* **All Join Hands, Circle Left 1/2 way, Go Forward and Back, Circle Left to Home, Eight to the middle and back.**

DOSADO {8 Counts/Beats} (DEMO NECESSARY)

Facing dancers, as individuals, move forward (passing right shoulders), Slide sideways to their Right (back to back with each other). Step Backwards (passing left shoulders), Slide Sideways Left (to end face to face). (Note, hands and arms stay relaxed - do not put them 'akimbo' like you might have done in grade school!)

Routine #1: (Callers, count the 8 steps or beats, 1, 2, 3, 4, 5, 6, 7, 8)
Face your Corner, DoSaDo, Face your Opposite, DoSaDo,
Face Partner, DoSaDo, Square your sets.

SWING {8 Counts/Beats} (DEMO NECESSARY) Callers, either demonstrate this with your partner, or have two experienced dancers demonstrate 'Swing'.

Show Ballroom hold and have the new dancers take this hold. Make sure the new dancers understand how each couple opens out at the end of the Swing, with the lady on the man's right side. The ballroom hold is released and the couples face either into the centre or turned in the direction of the Promenade. As new dancers become comfortable with swinging, they will learn the buzz step. Don't sweat Swing at this point - you can always revisit the call in future lessons.

Routine #1: All Swing your Partner, Face Centre, Go Forward and Back,
Face your Corner, DOSADO, Face your Partner, Swing your Partner, Square your
Sets at Home

PROMENADE (8 Steps for 1/2 Promenade, 16 for full.)

Demonstrate Promenade handholds. Keep the Square small. When Heads/Sides are promenading 1/2 way, the others need to step into the middle of the square so that the Heads / Sides don't have so far to walk around the outside. This is called "Square Breathing."

Routine #2: Heads DoSaDo Partner, Swing Partner and Promenade
all the way Home- breathe Sides!

Routine #3: Sides DoSaDo Partner, Swing Partner and Promenade all the way Home - breathe heads!

Routine # 4: Heads Promenade just 1/2 way, (you will be across from home). Heads into the middle go Forward and Back, Sides Promenade 1/2 way, Sides come into the middle and DoSaDo, Back out and all join hands, Circle Left 1/2 way to Home.

Call your singer. Note: On this first night of lessons we will not be making any progression in the Singing Calls. We'll introduce that in Lesson 2 on the fourth night.

****Callers:** The Breaks and Figures in the following lessons will be just the bare bones. You, as the caller, will have to choose and insert FILLER WORDS and the CHORUS from some of the lyrics in your song. FILLER in Singing Calls is there mainly to help you keep the timing. Changes are often necessary when you sing different songs, however. Timing for each call is given in brackets { } after the name of each move in this Teaching document. If you are unsure of the timing of any of the square dance moves, you can find timing charts on the CALLERLAB website at www.callerlab.org

You can also find the timing for each individual move on the Taminations website at <https://www.tamtwirlers.org/taminations/#?main=LEVELS>

When the Singing call is finished, have everyone thank the members in their square. A good way to do this is to put arms around the waists of your two adjacent dancers and say, "Thank You!" as you all bow towards the centre of the square.

It's also a good time to clap for the caller!

SSD LESSON 1 - PART A (*WEEK 1*)

PART A - TIP 4

****Callers:** At this point in the session, you will likely find that people have come in late. A point to remember is - if you advertise that your dance or lessons will start at a certain time, then make sure *you* start on time. The dancers will soon learn to also be on time.

Put on a Hoedown and have the dancers form Squares. Turn the music down.

Suggest that they do not form their squares in the same spot on the floor every time and that they choose a different position in the Square from that in the previous Tip.

Turn up the music.

Warm them up with some brief Patter from Tip 1. Now say, “ We’re going to continue with some new calls. This one is called **Allemande Left** and it will usually signal the end of a Patter Routine.

ALLEMANDE LEFT / ARM TURNS {4 Steps}

Men Face Left, Ladies Face Right - you are looking at your Corner. Using Left hands, take a forearm hold - hands just under the elbow - and walk forward around each other, letting go the forearm hold when you can see your Partner, and then step ahead to face your Partner and stop. This Left arm turn is called Allemande Left.

Routine #1: With your Corner, Allemande Left, With your Partner, DoSaDo, Face in, and square your sets.

Routine #2: With your Corner, Allemande Left, Turn Partner by the right arm, back to your Corner, Allemande Left, DoSaDo partner and face in and you're home.

For some reason, turning your Partner by the Right is seldom, if ever, called an Allemande Right. It is usually called directionally (turn Partner Right) as an arm turn call.

RIGHT AND LEFT GRAND / GRAND RIGHT AND LEFT {8 Steps}

Everybody Allemande Left. You are, or should be, facing your partner with your Right hand free. (and LH disengaged). Gently shake right hands and all walking forward in the direction you are facing, gently pull each other by, letting go hands and all say,"ONE." Now do the same with your Left hands and say "TWO." Now again with the Right and say, "THREE." Again with the Left hand and say, "FOUR." (*You can count in your head*). Now the fifth person you meet will be the one you started with and you will have completed the call Right and Left Grand or Grand Right and Left. At this point, the Ladies are facing the wrong way for a Promenade, so ladies turn around, all take Promenade hold, and Promenade. Or the caller may say Swing your Partner and Promenade. Remember, the 5th hand you "meet" is the one you are looking for - it may not be your original partner but it is always the 5th hand - unless the caller gets clever and interrupts the Right and Left Grand.

Routine #1: Allemande Left, Right and Left Grand, Meet #5, Girls turn around and All Promenade home.

Routine #2: Allemande Left, With Partner Turn by the Right, Allemande Left, Right and Left Grand, Swing Partner, Promenade.

It's always a good idea to start each new lesson by calling and reviewing calls from the previous lesson. PART B - TIP 2

We're going to learn the call "Weave the Ring"

WEAVE THE RING (8 Steps)

Routine #1: Everybody Allemande Left and stop, facing your partner. We are going to do a Right and Left Grand without using hands - just passing by alternate shoulders. This is called WEAVE THE RING.

SSD LESSON 1 - PART B (WEEK 2)

PART B - TIP 3

RIGHT HAND STAR / LEFT HAND STAR {4 dancers 1/2 way = 4 Steps, full around = 8 Steps. 8 dancers 1/2 way = 8 steps, full around = 16 steps.}

Callers explain to the dancers that "make a RH/LH Star" includes turning the star and walking forward in the direction you are facing. You may want to add, Make a Left Hand Star AND TURN IT or TURN THE STAR as a reminder for dancers to start walking forward.

All point to the centre of your square with your Right hands up about shoulder height and all touch fingertips. This is a Star formation. Turn your body slightly to the left and all walk forward keeping the star formation until you are Home. Now change hands and Star by the Left the other way, all the way to home. Mention that Stars can be made by all 8 dancers, or by just 4 dancers and all stars move forward as soon as they are formed.

Routine #1: All eight make A Right Hand Star and turn it half way, Change hands, make a Left Hand Star and turn it back to home.

Routine #2: Four Men make a RH Star, Star right to your corner, Allemande Left, Right and Left Grand, DoSaDo and Promenade home.

Four Ladies make a RH Star, Star right to your corner, Allemande Left, Right and Left Grand, Promenade home.

SSD LESSON 1 - PART C (WEEK 3)

Lesson 1 - Part C Calls

Courtesy Turn

Pass Thru

Ladies Chain

Wheel Around

SSD LESSON 1 - PART C (WEEK 3)

PART C - TIP 1

Review the calls in SSD Lesson 1 - Part B: Weave the Ring, Stars

COURTESY TURN (DEMO NECESSARY) (4 Steps)

All the men put your Left hand forward, palm facing up. Ladies, place your Left hand on top of the man's Left hand, palm facing down. Men, place your Right hand in the small of the lady's back. Now each man step back, turning 180° on the spot to your left, while guiding the ladies forward and around 180° to the left. This is a Courtesy Turn. (Note the word "Courtesy." Ladies, you may, if you wish, put your right hand behind your back, palm out to direct the man's hand.) YOU ARE ALL FACING OUT OF THE SQUARE, SO: Men Courtesy Turn your Partner.

PASS THRU (4 steps from home position, 2 Steps from a box)

Heads, (don't do it yet) passing by your opposite (the one across from you) with Right shoulders you are going to walk forward to the opposite side of the square and stop so you are back to back with whom you passed by. This move is called PASS THRU.

The Square Dance Passing Rule is always pass by right shoulder to right shoulder.

After the Pass Thru, wait for the next Call.

Routine #1: Heads Pass Thru and Courtesy Turn your Partner, Sides Pass Thru and Courtesy Turn your Partner, All go Forward and Back, Allemande Left, Weave the Ring, Swing at Home.

Routine #2: Side Couples Promenade half way, Come down the middle and Pass Thru, Courtesy Turn, You're Home. Head Couples Promenade half way, Come down the middle and Pass Thru, Courtesy Turn, You're Home.

Now put on a Hoedown and call a short Patter combining calls from the three Tips:

BOW TO YOUR PARTNER, BOW TO YOUR CORNER, HEADS GO FORWARD AND BACK,
HEADS PASS THRU AND COURTESY TURN YOUR PARTNER,
SIDES PASS THRU AND COURTESY TURN YOUR PARTNER, ALL GO FORWARD AND BACK,
FOUR MEN MAKE A RIGHT HAND STAR, TURN THE STAR 1/2 WAY,
NOW BACK BY THE LEFT MAKE A LEFT HAND STAR, TURN THE STAR,
PICK UP PARTNER ARM AROUND AND STAR PROMENADE, BACK OUT, ALLEMANDE LEFT,
RIGHT AND LEFT GRAND, MEET PARTNER AND WEAVE THE RING, SWING AT HOME.

CALL YOUR SINGER - Remember to add the filler words.

OBC

WHEN YOU'RE HOME, ALLEMANDE LEFT, SWING PARTNER,

CHORUS

SSD LESSON 1 - PART C (WEEK 3)

PART C - TIP 2

Play a Hoedown and have the dancers form Squares. Call a little Patter to warm them up using the calls they have learned. Turn down the music and say, **“Let’s learn a new call, called LADIES CHAIN.”**

TWO LADIES CHAIN (8 Steps) Demo useful to show the men how to move.

This next call is TWO Ladies Chain. Men, whenever you hear the words, “Ladies Chain,” a light bulb must go on in your head as it means you have a job to do. That job is to Courtesy Turn a lady as she comes towards you.

Routine #1: Head Ladies, take Right Hands and pull each other by, letting go hands as soon as you pass. Men take her Left hand in your Left hand and Courtesy Turn her. You’ve done a 2 Ladies Chain! Let’s do it again - Head ladies chain.

Routine #2: Side Ladies, take Right Hands and pull each other by, letting go hands as soon as you pass. Men take her Left hand in your Left hand and Courtesy Turn her. You’ve done a 2 Ladies Chain! Let’s do it again - Side ladies chain.

Caller: Remind the men that the words “Ladies Chain” is an alert.

Light bulb on, they take a step forward and start moving around into the Courtesy Turn as they take her left hand in their left hand and put their Right hand in the small of her back. If they stand still, they will find the Courtesy Turn awkward. Make it flow.

Routine #3 Head Ladies Chain, (Ladies pull by Right and men courtesy turn the lady coming at you.) Side Ladies Chain (Ladies pull by Right and men courtesy turn the lady coming at you.) Head Ladies Chain, Side Ladies Chain, Allemande Left, Square your Sets

Routine #4: Head Two Ladies Chain Across, Chain right back, Side Two Ladies Chain Across, Chain right back, Eight to the middle and back, Allemande Left, Swing at Home.

Routine #5: (Listen carefully) Head Two Ladies Chain, Side Two Ladies Chain, Allemande Left NEW Corner, Do a Right and Left Grand, BUT ON YOUR THIRD HAND Swing your Partner, Promenade Home.

“ON YOUR THIRD HAND is a new concept for them as you have previously drilled the 5th hand on a Right and Left Grand. Kid them along a little and remind them what you said about the caller getting clever - **AND REMIND THEM THAT THEY HAVE TO LISTEN.**

(Ladies remember: In a Two ladies Chain Across, you always chain across to the opposite man. Men, remember to be a Lert! 😊)

FOUR LADIES CHAIN (8 Steps)

When all four Ladies Chain, they cannot all pull by with a Right hand so instead they make a RH Star and turn it just 1/2 way to the opposite man who will Courtesy Turn them.

Reminder: Lerts, 😊 you will Courtesy Turn the lady facing you across the set.

Routine #1: All Four Ladies Chain across, Join hands and Circle Left just 1/2 way, Four Ladies Chain, All eight to the middle and back, Allemande Left, Right and Left Grand, Swing at Home.

Now call some Patter Routines using calls they have learned in the four Tips this evening. Keep things simple. Repetition is good.

Singing Call

OBC

FOUR BOYS PROMENADE INSIDE AROUND YOU GO,
GET BACK HOME, SWING YOUR GIRL,
ALL JOIN HANDS CIRCLE LEFT AND THEN,

CHORUS

SSD LESSON 1 - PART C (WEEK 3)

PART C - TIP 3

In this Tip, give your dancers a rest from learning new calls and use the time for reviewing and dancing all that they have been taught so far:

Circle Left, Circle Right, Forward and Back, DoSaDo, Swing,
Promenade, Promenade 1/2, Promenade Inside, Star Promenade,
Allemande Left, Arm Turns, Right and Left Grand, Weave the Ring,
Stars, Courtesy Turn, Ladies Chain

This is a good time for you, the caller, to call Patter as you watch the dancers. This will help with the timing of your calls. Don't forget to alternate between Heads and Sides starting the routines. Don't get too creative - the dancers are the ones who need to succeed, you are not there to entertain yourself! (O.K., lecture over.)

Here is something very important for you to know about singing calls: The same OBC or Figure called to different music will seem different to the dancers - they will not recognize the OBC or Figure that you used a couple of Sessions, or even Tips, ago.

Singing Call:

OBC

CIRCLE LEFT,
SING CHORUS,
ALLEMANDE LEFT YOUR CORNER,
TURN PARTNER BY THE RIGHT,
LEFT ALLEMANDE, WEAVE THE RING,
MEET YOUR PARTNER AND SWING,
SWING YOUR PARTNER ROUND AND PROMENADE THE RING,
CHORUS

FIGURE

FOUR LADIES CHAIN ACROSS,
FOUR LADIES CHAIN BACK HOME,
JOIN HANDS AND CIRCLE LEFT FULL AROUND
ALLEMANDE LEFT, WEAVE THE RING
SWING PARTNER, PROMENADE HOME
CHORUS

SSD LESSON 1 - PART C (WEEK 3)

PART C - TIP 4

Play a hoedown and get everyone in Squares. Tell them that this will be the last “teach” for Lesson 1 and we will learn the call “**Wheel Around**”

WHEEL AROUND (4 steps) (DEMO NECESSARY)

Designated Couples, acting as a unit, turn (Wheels) 180°. The LH (man) dancer backs up while the RH (lady) dancer moves forward. The pivot point is the handhold between the two dancers and they stay on the same spot. When all four couples are Promenading, non-designated dancers will stop as a couple as those designated start their Wheel Around.

Routine #1: Heads Wheel Around (*Men back up, Ladies move forward*) - stay facing out, Sides wheel Around (*Men back up, Ladies move forward*) - stay facing out, Heads Wheel Around - You're home, Sides wheel Around - You're home.

Routine #2: Heads Pass Thru, Wheel Around, Sides Pass Thru, Wheel Around, Allemande Left, Right and Left Grand, Promenade but DON'T STOP! Keep on going, Heads Wheel Around (*Men back up, Ladies go forward*). (They will be facing the Side Couples who will have stopped and they should all have made two straight facing lines) All join hands and Circle Left, Allemande Left, Weave the Ring, Swing and Promenade Home.

Routine #3: Sides Pass Thru, Wheel Around, Heads Pass Thru, Wheel Around, Allemande Left, Right and Left Grand, Promenade but DON'T STOP! Keep on going, Sides Wheel Around (*Men back up, Ladies go forward*). (They will be facing the Head Couples who will have stopped and they should all have made two straight facing lines) All join hands and Circle Left, Allemande Left, Weave the Ring, Swing and Promenade Home.

Call some Patter and review any calls that seem to be giving problems.

SSD LESSON 1 - PART C (WEEK 3)

PART C - TIP 6

This will be the last Tip for this third Lesson. The dancers will be tired - but we hope, exhilarated. Tip 7 is the time for them to relax and just dance.

You may choose to call a standard Tip - Patter/Singer or you may choose to call two Singing Calls or maybe just one Singing Call if the time is getting late.

If you choose just one Singing Call, then pick something a bit laid back and ‘ballady’ - perhaps a song that they can sing the chorus along with you.

You could use one of the Breaks and Figures that you have used during the evening. Here are two more to try:

Singing Call

OBC

CIRCLE LEFT, (SING CHORUS.)
ALLEMANDE LEFT YOUR CORNER, TURN PARTNER BY THE RIGHT,
LEFT ALLEMANDE YOUR CORNER, WEAVE THE RING, TONIGHT
WEAVE IT IN, WEAVE IT OUT, MEET PARTNER SWING

SSD LESSON 2 (WEEK 4) (Remember to review the calls from previous lesson)

SSD Lesson 2 Calls

Star Thru / Slide Thru,

Half Sashay / Rollaway / Ladies In Men Sashay

SSD LESSON 2 (WEEK 4)

TIP 1

Put on a Hoedown and start with a little Patter:

BOW TO YOUR PARTNER, CORNER TOO, JOIN HANDS AND CIRCLE LEFT 1/2 WAY ROUND,
EIGHT TO THE MIDDLE AND BACK, CIRCLE RIGHT THE OTHER WAY BACK,
WHEN YOU'RE HOME, FACE YOUR CORNER, ALLEMANDE LEFT,
GRAND RIGHT AND LEFT, SWING PARTNER, PROMENADE HOME

ALL FOUR LADIES CHAIN, ALL EIGHT TO THE MIDDLE AND BACK,
ALLEMANDE LEFT, WEAVE THE RING, AT HOME SWING PARTNER

Tell them: “ **We’re going to learn a call named STAR THRU. This has nothing do with making a Star so don’t mix the two up!**”

STAR THRU {4 steps}

Always done with the person you are facing, always done with opposite sexes facing.

Ladies raise your LEFT hand above your head, palm facing out. Man place right hand palm against Lady’s left palm. See the arch? Lady go under arch turning 1/4 LEFT, retaining loose hand hold with man. Man walk forward and turn 1/4 RIGHT. Lower hands and end side by side as new partners. (Alert the men to keep their hands high so that the ladies do not have to duck their heads to avoid having them knocked off. Callers, Demo how a short man can do this by momentarily letting go his hand.)

Routine #1: Heads Star Thru, with a new one you face, DoSaDo, Star Thru.

Back away - (You are across from home)

Sides Star Thru, with a new one you face, DoSaDo, Star Thru again.

Back away - (You are across from home) All Circle Left 1/2 to Home.

Routine #2: Heads/Sides Promenade 1/2, Hds/Sds Star Thru, Pass Thru, Allemande Left.

Now call a singing call. Use an Opener, Break and Closer (OBC) and Figure from Lesson 1. (No progression)

SSD LESSON 2 (WEEK 4)

TIP 2

SLIDE THRU {4 Steps} (DEMONSTRATE THIS USING NORMAL FACING COUPLES)

SLIDE THRU is done by two facing dancers. Think of it as being rather like a Star Thru but without hands.

The rule for slide thru is: No matter on which side of a couple you are standing and no matter if you are facing a boy or a girl, Men, (LH Dancers) will always Pass Thru (Right Shoulders) and turn 1/4 Right and Ladies (RH Dancers) will always Pass Thru (Right Shoulders) and turn 1/4 Left to end side by side as a couple.

Routine #1: Heads Slide Thru, Slide Thru, Slide Thru, Slide Thru, Home!

Routine #2: Sides Slide Thru, Slide Thru, Slide Thru, Slide Thru, Home!

Routine #3: Heads Slide Thru, Pass Thru and Wheel Around, Pass Thru, Slide Thru, Forward and Back, Pass Thru and Courtesy Turn, Slide Thru, Left Allemande, 2 Steps Home

Routine #4: Sides Slide Thru, Pass Thru and Wheel Around, Pass Thru, Slide Thru, Forward and Back, Pass Thru and Courtesy Turn, Slide Thru, Left Allemande, 2 Steps Home

Routine #5: Heads Slide Thru, Star Thru, Back Away, Sides Slide Thru, Star Thru, Back Away, Heads Slide Thru, Star Thru, (Home) Sides Slide Thru, Star Thru, (Home)

ROLLAWAY {4 Steps} (DEMO NECESSARY)

All four ladies Chain. Join hands and Circle Left. Stop.

We are going to learn a move called ROLLAWAY (sometimes called “Rollaway with a Half Sashay.”) Men - holding your partner’s left hand in your right, take a small step back. As you do, with your right hand you will lead the lady across in front of you, as she rolls nose to nose across to end on your other side. As she rolls, let go your right hand and step sideways to your right and then take her Right Hand in your Left. You’ve done a Rollaway! Now continue to Circle Left, Rollaway, Circle Left, Allemande Left, Promenade Home.

Ladies, rolling the Man away is a gimmick and seldom used but you will hear it!

Routine #1: Four Ladies Chain, All Join hands and Circle Left, Rollaway, Circle Left, Rollaway, Circle Left, Allemande Left, Right and Left Grand, Promenade

Routine #2: Heads Pass Thru and Courtesy Turn, Rollaway, Slide Thru, Left Allemande, 2 Steps Home.

Routine #3: Sides Pass Thru and Courtesy Turn, Rollaway, Slide Thru, Left Allemande, 2 Steps Home.

Call some Patter using Star Thru, Slide Thru, Rollaway:

HEADS PASS THRU, COURTESY TURN, ROLLAWAY, STAR THRU,
DOSADO CORNER, WITH CORNER SLIDE THRU, MAKE LINES,
ALL GO FORWARD AND BACK, PASS THRU, WHEEL AROUND,
SLIDE THRU, LEFT ALLEMANDE, RIGHT AND LEFT GRAND, SWING, PROMENADE

Now say, We are going to learn about Progression in Singing Calls. This is hard for the ladies, men never have to do it. (It has been said that the ladies have to do the progression because they are smarter than men and can easily handle the confusion. Hmmm? 😊)

In a Singing Call, the ladies will go (progress) to each man’s home position with each figure called. Ladies, you have to remember that you will not only have a new partner, but also a new starting position. (The most common progression is called a corner progression as the ladies will promenade to their corner’s home position. Remember, the word Partner means the one they are with at the moment.)

Routine #1: Heads Promenade 1/2, Down the middle Star Thru, Pass Thru, Swing Corner, Promenade (*with Corner*) full around. Ladies you must go to the man's home position. Now all join hands Circle Left, Allemande Left (*New Corner*) Right and Left Grand, Promenade (*New Partner - 5th Hand*) Home

Routine #2: Sides Promenade 1/2, Down the middle Star Thru, Pass Thru, Swing Corner, Promenade (*with Corner*) full around. Ladies you must go to the man's home position. Now all join hands Circle Left, Allemande Left (*New Corner*) Right and Left Grand, Promenade (*New Partner - 5th Hand*) Home

Routine #3: Allemande Left, Turn Partner Right, Swing your Corner, Promenade, Back out and make a ring, Circle Left, Allemande Left (*New corner,*) Promenade (*New Partner*)

Routine #4: All four Ladies Chain across, Circle Left, Rollaway, Circle Left, Rollaway, Allemande Left, Turn Partner Right, Swing Corner, Promenade Home. (All now have original Partners as they would have in a Singing Call)

Let's try this out with a Singing Call:

OBC

ALL 4 LADIES CHAIN ACROSS, YOU TURN THE GIRL AND THEN
JOIN HANDS AND CIRCLE LEFT GO WALKING ROUND AGAIN
LADIES ROLL A 1/2 SASHAY, YOU CIRCLE ROUND THE FLOOR
LADIES ROLLAWAY AND WEAVE THE RING
WEAVE ALL THE WAY AROUND THE RING
UNTIL YOU MEET YOUR MAID
DOSADO IT'S ONCE AROUND
AND THEN YOU PROMENADE
SING CHORUS

FIGURE

HEADS / SIDES PASS THRU AND WHEEL AROUND,
FACE INTO THE MIDDLE STAR THRU,
CENTRES PASS THRU, STAR THRU,
PASS THRU, WHEEL AROUND,
FACE ACROSS AND SLIDE THRU,
SWING CORNER, PROMENADE HOME (To Man's Home)
SING CHORUS

SSD LESSON 2 (WEEK 4)

TIP 3

Put on a Hoedown and have the dancers form squares (Remind them about not always taking the same position in the square)

Tell them that we are going to continue with some sashay choreo and that our next calls are:

LADIES IN MEN SASHAY {4 Steps}

A 'Sashay' is a sideways step or steps, closing feet.

Routine #1: All join hands and Circle Left.

Now Ladies, let go of the men's hands and take a step straight ahead towards the middle. Men, you are Circling LEFT so as the women step forward, you continue circling (solo) or sashaying sideways to your LEFT behind one lady and the Ladies will step back out to join the circle once the man is past her. You have just done a LADIES IN, MEN SASHAY

Let's continue - All Circle Left, Ladies in Men Sashay, Allemande Left, (New corner) Weave by TWO and Promenade your partner.

Routine #2: Four Ladies Chain, All join hands, Circle Left, Ladies in, Men Sashay, Ladies in, Men Sashay, Allemande Left, Promenade Home.

MEN IN, LADIES SASHAY {4 Steps}

Men, you get a turn at this:

Routine #1: All join hands and Circle Left, Men in, Ladies Sashay, (Men, let go of the Ladies' hands and take one step forward towards the middle. Ladies continue circling LEFT (Sashaying) behind one man and the men will step back to join the circle.) You have just done a MEN IN, LADIES SASHAY Now Circle Left, Gentlemen in (let go hands) Ladies Sashay and keep Circling (solo) to the Left, Men step back into the circle, Gentlemen in, Ladies Sashay, Allemande Left, (New corner) Weave by TWO and Promenade.

Routine #2: Four Ladies Chain, Circle Left, Gentlemen in, Ladies Sashay, Circle Left, Gentlemen in, Ladies Sashay, Circle Left, Allemande Left, Promenade Home

Now tell the dancers that we are going to play with Stars and get fancy.

Callers: Be sure to tell your dancers that “make a RH/LH Star” includes turning the star and walking forward in the direction you are facing.

DO A DEMO OF THIS STAR FIGURE

Call: Heads Promenade 1/2 way, Come down the middle and Star Thru.

Centres Pass Thru and stop. All are facing their corner.

Tell them to take a look at their spot on the floor and tell them that they will be coming back to that spot. Tell them to take a good look at their corner and remember who that person is. Now all four of you make a right hand Star and slowly (*slowly!*) start turning the Star. Heads, as you come around and face into the centre of the Square, let go of the Sides and make a Left Hand Star with the other Head Couple as you meet in the centre of the Square. Turn that star around in the middle to stand in front of your corner, right on the spot you had marked. Sides continue your RH Star and stop at Home.

(Dancers - it is important that you remember who your Corner is and do not go past that spot on the floor that you have memorized. End up facing your corner exactly where you started the RH Star.) Allemande Left and Square your Sets.

Callers - some dancers will continue past their corner. Eventually they will get it but get them back to facing their corner and start the Star routine again.

Routine #1: Heads Pass Thru, Wheel Around, Slide Thru, Pass Thru, Make a Right Hand Star, Heads to the middle for a Left Hand Star, Back to the Corner DoSaDo, Allemande Left, Grand Right and Left, Promenade Home.

SSD LESSON 2 (WEEK 4)

TIP 4

1/2 SASHAY {4 Steps}

In this Tip, we are going to learn how to do a 1/2 Sashay. A 1/2 Sashay has the same result as a Rollaway without the Roll. Let's do a 1/2 Sashay: Let go Partner's hands, the LH dancer (usually the Men) takes a step back (on Left foot), side steps to the Right and steps forward to rejoin Partner while the dancer on the Right (usually the women) side steps to the Left, in front of the man, and joins inside hands. They have exchanged places but not facing directions. All Square your sets at home.

Routine #1: Ready? Everybody 1/2 Sashay. (Men step back and step to the Right Ladies step to the Left in front of man) All Circle Left, Rollaway, Circle Left, Allemande Left, Right and Left Grand but on your THIRD hand, Swing Partner Promenade Home.

Routine #2: Heads do a 1/2 Sashay, With the one you face Star Thru, Pass Thru, and all Wheel Around, and Pass Thru, Ends (Sides) Wheel Around, Centres Pass Thru, DoSaDo, Pass Thru and just the Heads Wheel Around, Do a 1/2 Sashay, Pass Thru, Face in and Square your sets.

Routine #4: Heads Rollaway, Star Thru, Pass Thru, All Wheel Around, Half Sashay TWICE, (She goes, he goes), Pass Thru, Swing Partner at home.

Routine #5: Sides Rollaway, Star Thru, Pass Thru, All Wheel Around, Half Sashay TWICE, (*She goes, he goes*), Pass Thru, Swing Partner at home.

All Forward and Back, All 1/2 Sashay, Circle Left, All do a 1/2 Sashay, Circle Left, Everybody Allemande Left, Weave past two dancers, and Promenade Home)

Call a short Patter to include Star Thru, Slide Thru, Roll Away, Ladies in Men Sashay and 1/2 Sashay, Circle four 1/2. USE THE OBC AND FIGURE IN THE SINGER.

SSD LESSON 2 (WEEK 4)

TIP 5

In this Tip we are going to look at some $3/4$ “stuff”. Three quarters is not a strange magic formula - it is simply stretching a call as the dancers will see.

LADIES CHAIN $3/4$ {10 Steps}

We are going to have the ladies Chain $3/4$. Ladies, the man who will Courtesy Turn you will be your Corner, so look at your corner to know who he is. He will probably not know who is coming to him in the Ladies Chain $3/4$ so be ready with your left hand to “invite” him to courtesy turn you.

Routine #1: Ready? All four ladies Chain Three Quarters. Men, Courtesy turn this lady and all join hands and Circle Left. Rollaway and Circle Left, Allemande Left, Right and Left Grand to Home!

Routine #2: All four ladies Chain Three Quarters, Heads to the middle Circle Four $1/2$, Drop hands and Star Thru, Pass Thru, Swing new Corner, Promenade 2 steps to man’s home. Square those sets, Eight to the middle and back. *Four Ladies: who is your new corner?* Four Ladies Chain $3/4$, All Circle Left $1/2$, Corner (*original Partner*) Swing, Promenade Home.

{CAROUSEL PROMENADE} (**Optional.** This Call is not on any list but it is fun to do, and takes 32 beats of music to complete. It helps to prompt the dancers thru the calls.)

On the command “**Carousel Promenade**” all four ladies will Chain $3/4$ as the men Promenade by themselves $1/4$ CCW round the square, meet their original partner and Courtesy Turn her and then as a couple they promenade $1/4$ to end up opposite to their starting position. This sequence is then repeated, and all will be. Home.

Ready? Carousel Promenade: Ladies Chain $3/4$, Men Promenade $1/4$, Courtesy turn Partner and Promenade $1/4$. Do it all again.

PROMENADE 3/4 {12 Steps}

Dancers have promenaded 1/2 so an extra 1/4 round the square will put the designated couples standing behind the inactive couples:

Routine #1: Heads, go forward and back, Heads Promenade 3/4 round the Square. Stop when you are standing directly behind a Side couple. Sides Pass Thru, Star Thru, Two Ladies Chain. Lines go Forward and Back, All join hands, Make a big ring. Circle RIGHT, to Home.

Routine #2: Sides, go forward and back, Sides Promenade 3/4 round the Square. Stop when you are standing directly behind a Head couple. Heads Pass Thru, Star Thru, Two Ladies Chain, Lines go Forward and Back, All join hands, Make a big ring. Circle RIGHT, to Home.

Routine #3: Head Ladies Chain, Sides Promenade 3/4, Stand behind the Heads, Heads Pass Thru, Allemande Left, Right and Left Grand, Swing at Home.

Routine #4: Side Ladies Chain, Heads Promenade 3/4, Stand behind the Sides, Sides Pass Thru, Allemande Left, Right and Left Grand, Swing at Home.

TIP 7

For this last Tip of SSD LESSON 2, you might want to do just a couple of Singing calls or perhaps only one singer if the dancers seem tired and ready to end. However, if there has been a call or two that they had difficulties with you may want to do a Patter as Review followed by a Singer.

Some callers like to end on a high note with a rousing Singing Call. Use your judgement to decide what is best for this particular ending Tip.

Here are a couple of OBC figures to choose from. (Don't mix them in the same singer)

4 LADIES CHAIN 3/4, CIRCLE LEFT, ALLEMANDE LEFT, PASS ONE BY,

For this first Tip of SSD Lesson 3, review all you have taught so far: Be prepared to reteach when necessary. The steps are:

Circle L & R, Fwd & Bk, DoSaDo, Swing, Promenade, Star Promenade, Allemande Left, Right & Left Grand, Weave, Stars, Ladies Chain, Wheel Around, Star Thru / Slide Thru, Half Sashay / Rollaway, Ladies In Men Sashay, Men in Ladies Sashay.

Put together some patten and call.

For your Singing Call, choose an OBC and Figure from one of the songs in lesson 2.

SSD LESSON 3 (WEEK 5)

TIP 2

CALIFORNIA TWIRL {4 Steps} DEMO NECESSARY

This Call is done by a couple standing side by side, inside hands joined. The lady should always be on the man's right side to perform this call.

From a static Square: **All raise inside hands and make an arch.**

Retaining handholds, (Man Right, Lady Left) the Lady turns left 1/2 (180 °) under the arch and faces out of the square as Man walks around and to the right, turning 1/2 (180°) to end beside his partner. Both are facing out of the square. Lower your hands.

All ready? California Twirl again. You should now be at Home.

Routine #1: Heads Pass Thru, California Twirl, Sides Pass Thru, California Twirl, All go Forward and Back, Allemande Left, Grand Right and Left, Meet Partner, DoSaDo, (careful now) Star Thru Thru, California Twirl, Home

BEND THE LINE {4 Steps} Can be done from any line with an even number of dancers,. Dancers in each part of the line must be facing in the same direction.

We're going to learn how to BEND THE LINE:

All take Partner's hands and Promenade but don't stop, keep going. Heads Wheel Around and make nice lines. Go forward and Back, Pass Thru and stop.

Do this step by step: Centre dancers in each line drop hands with each other. With each half of the line working as a unit, the ends move forward while the centres back up until both halves of the line are facing. That's called "BEND THE LINE,"

All Pass Thru, Bend the Line, Join Hands, Circle Left, Allemande Left, Promenade Home.

Routine #1: Heads Pass Thru, Wheel Around, Star Thru and Pass Thru, Slide Thru, Make Lines, Go Forward and Back, Pass Thru, Bend the Line, All Slide Thru, Left Allemande.

YOU TURN BACK (UTB) {4 Steps}

Reminder: when turning, always try to turn towards partner. UTB is a 180 ° on the spot turn around. You don't have to enforce the turning towards each other - sometimes body flow will require turning away from each other.

**DIVE THRU {Couple Diving: 2 Steps, Couple Facing Out: 6 Steps} DEMO
NECESSARY**

Heads Step forward, turn and face your Corner, All Pass Thru, and Wheel Around.

We are going to learn the call DIVE THRU.

Those in the centre (*Sides in this case*) make an arch by raising your joined inside hands.

Now the outside two -Don't do it yet- are going to go (Dive) under the arch as the archers walk forward arching over them and stop facing out of the set but keep the arch. The "divers" will stop facing the other "divers" in the middle.

Let's do that: DIVE THRU. (*Now the archers are facing no-one so to get back into the action they must do a California Twirl. This is always automatic with the call Dive Thru.*)
So 'archers' California Twirl. In the middle (or centre four) Star Thru, Pass Thru, California Twirl, Home!

Sides, your turn: Step forward, Turn and face your Corner. All Pass Thru and Wheel Around.

The outside two -Don't do it yet- are going to go (Dive) under the arch as the archers walk forward arching over them and stop facing out of the set but keep the arch. The "divers" will stop facing the other "divers" in the middle.

Ready? Arch in the middle, Dive Thru, Outside Couple California Twirl, Centres Pass Thru, Circle Four 1/2, Dive Thru, Centres Pass Thru, Allemande Left, Square your Sets at Home.

Routine #1: Heads Circle Four 1/2 way, Star Thru, Pass Thru, Circle Four 1/2 way with the outside two, Arch in the middle and Dive Thru, Centres Pass Thru, Circle Four 1/2 way with the outside two, Dive Thru, Centres Star Thru, Back away, You're Home!

Routine #2: Sides Circle Four 1/2 way, Star Thru, Pass Thru, Circle Four 1/2 way with the outside two, Arch in the middle and Dive Thru, In the middle Pass Thru, Circle Four 1/2 way with the outside two, Dive Thru, In the middle Star Thru, Back away, You're Home!

Callers: Note 1: It is interesting to watch dancers deciding who makes the arch and when they are not sure, it is cringeworthy to see the cracked heads. I suggest you always preface the call Dive Thru with “Make an Arch in the middle” or simply “Arch in the middle”

Note 2: Often you will have short people facing tall people. No problem when the tall people are the archers, but tall people trying to dive under a short people’s arch is a recipe for all sorts of interesting results - few of them good. When this happens, tell dancers that they can let go the raised hands as they arch over - keeping them raised - and remake the arch once the tall dancers have passed between them so that they can do the California Twirl.

TIP 4

BACK TRACK { Steps }

Our last new call for this lesson is called **BACKTRACK** and, surprise, surprise, it means exactly what it says: turn around and go the other way. However the trick is in the turning. Dancers will turn **away** from the centre of the Square.

Everybody join hands and Circle to the RIGHT. Drop hands, Men face CCW and put the lady in the lead (*in front of you, boys*) and all Promenade single file. Stop right here for a moment - don’t turn around, don’t even blink. Now ladies, you are going to take a Backtrack by stepping out of the circle and individually turning to your right to face the other way.

Now all continue moving forward with two circles, men inside going counter-clockwise, ladies on the outside going clockwise. Meet your Partner and pass right on by (*keep going*) second time you meet, do a Right and Left Grand, Promenade home.

Callers, timing is critical with this call, so you need to watch your dancers - maybe focus on the Head man and his Partner. If dancers were Circling Left, the 'backtrackers' would turn out and to the Left for the Backtrack.

Okay, let's try the men: Everybody join hands and Circle to the RIGHT. Drop hands, go single file, Men step out and Backtrack (*turn to your Right*) meet her here, Pass her by and Allemande Left your Corner, Weave the Ring, Swing and Promenade home.

Callers, by watching the dancers you can time things to end at home after the Allemande Left.

Routine #1: All join hands, Circle Left, Now Circle to the Right, Put the Lady in the Lead, Go Single File, Ladies step out and Backtrack, Meet your Partner Pass on by, Second time you meet, Weave the Ring, Swing, Promenade.

Routine #2: Eight to the middle and back, Circle RIGHT, Men put the Lady in the lead, go Single File, Men step out and Back Track, When you meet Pass right on by, Allemande Left your Corner, Swing Partner, Promenade Home.

**Routine #3: Circle Left 1/2 way, Allemande Left, Promenade, don't stop, keep going. Men, Roll the Ladies away, Ladies to the middle, Star Left
Men step out (*to the Right*) Backtrack, Meet Partner, Turn by the Right full turn to your Corner, Allemande Left, Promenade**

Routine #4: Circle Left, Allemande Left, DoSaDo, Men Star Left one full turn, Pick up Partner and Star Promenade, Girls Backtrack, Turn Partner by the Right, Allemande Left, Promenade.

Later, in Tip 6 or 7 you should be able to just call Carousel Promenade. (Don't forget to preface it with, "Everybody ready?")

SSD Lesson 4 Calls
Square Thru
Grand Square

SSD LESSON 4 (WEEK 6)

TIP 1 (Review Calls from SSD Lesson 3)

SQUARE THRU 4 & 2 & 3 DEMO NECESSARY

Square Thru is done by two facing couples. When a turn is required after a pull by, the Left Hand dancer (*usually the man*) will always turn 1/4 right. The Right Hand dancer (*usually the lady*) will always turn 1/4 left.

**HAND HOLDS MUST BE FIRM BUT GENTLE,
YOU MUST LET GO HANDS AS YOU TURN.**

THE LAST HAND OF ANY SQUARE THRU IS JUST A PULL STRAIGHT PAST, LET GO AND STOP (NO TURN) SO SQUARE THRU ONE HAND IS JUST A PULL BY, LET GO AND STOP

THERE ARE NO COURTESY TURNS IN SQUARE THRU.

Sides, please step one pace back and stay out of the action.

Heads , we are going to do a SQUARE THRU FOUR. Think of this as a mini wrong way Right and Left Grand - 'wrong way' because men will travel clockwise and ladies CCW. 'Mini' because we do it in a small circle of four. Let's give it a try:

Routine #1: Heads, Give a right hand to your opposite and gently pull by, dropping hands as you turn 1/4. (*Man right, Lady left.*) Give a left hand to the next. Pull by, turn 1/4. Let go those hands! Right hand pull by, turn 1/4. **LEFT HAND PULL STRAIGHT PAST, LET GO AND STOP.** If you started from home (*and you did*) you should be standing directly in front of your Corner. Clap your own hands once, Sides join in and Allemande Left, 2 Steps, Home.

Repeat once more for Heads.

Heads, please step one pace back and stay out of the action.

Routine #2: Sides, it's your turn to do a **SQUARE THRU FOUR.** Think of this as a mini wrong way Right and Left Grand - 'wrong way' because men will travel clockwise and ladies CCW. 'Mini' because we do it in a small circle of four. Let's give it a try:

Sides, Give a right hand to your opposite and gently pull by, dropping hands as you turn 1/4. (*Man right, Lady left.*) Give a left hand to the next. Pull by, turn 1/4. Let go those hands! Right hand pull by, turn 1/4. **LEFT HAND PULL STRAIGHT PAST, LET GO AND STOP.** If you started from home (*and you did*) you should be standing directly in front of your Corner. Clap your own hands once, Heads join in and Allemande Left, 2 Steps, Home.

Routine #3: Heads Square Thru Four, Make a Right Hand Star full turn, Girls turn face Corner, With Corner Star Thru, Make lines, Go Forward & Back. Now, with the couple you face in the opposite line, Square Thru Three Hands: (*Right hand pull by turn 1/4, Left Hand pull by turn 1/4, RIGHT HAND PULL BY AND STOP.*) Be sure to let go that Right hand. You will be facing out of the set in Lines of Four. Men, your corner is now on your Right. Ladies, your corner is on your Left so things are backwards! Turn to face Corner, Allemande Left, Come home and Square your sets.

Routine #4: Sides Square Thru Four, Make a Right Hand Star full turn, Girls turn face Corner. With Corner Star Thru, Make lines, Go Forward & Back. Now, with the couple you face in the opposite line, Square Thru Three Hands: **Right hand pull by turn 1/4, Left Hand pull by turn 1/4, RIGHT HAND PULL BY AND STOP.** Be sure to let go that Right hand. You will be facing out of the set in Lines of Four. Men, your corner is now on your Right. Ladies, your corner is on your Left so things are backwards! Turn to face Corner, Allemande Left, Come home and Square your sets.

Routine #5: Heads Promenade 1/2, come down the middle and Square Thru just TWO hands: RH pull by turn 1/4. Left Hand Pull by and stop. You should be standing directly in front of your Corner. Pass Thru, UTB, Pass Thru, (*You're Facing your Partner*) Right and Left Grand.

Routine #6: Sides Promenade 1/2, Come down the middle and Square Thru just TWO hands: RH pull by turn 1/4. Left Hand Pull by and stop. You should be standing directly in front of your Corner. Pass Thru, UTB, Pass Thru, (*You're Facing your Partner*) Right and Left Grand.

Callers note: Square Thru Four and Square Thru Two end with a Left Hand so you should not call an Allemande Left to follow unless you call DoSaDo or clap your hands first. You should never call Square Thru Four or Square Thru Two followed by a Star Thru. The ladies need their Left hand for a Star Thru and often a man will not let go after the last Pull By and will hang on for dear life, pulling the lady off balance. Remind the ladies to be very vocal about this: "Let go!"

Explain to the dancers that Square Thru and Square Thru Four are the same thing.

Call some Patter:

TIP 2

Callers, use this second Tip to practise your patter calling. Below are a couple of routines to use. You might want to try adding some Zero movements at the asterisks (*). A Zero is simply a set of calls that return you to the exact same spot from which you started. Look at the first (***) below. You could add: Forward and Back, Pass Thru, Wheel Around, Pass Thru, Wheel Around and you will be ready to carry on with the routine. Don't forget to use any of the calls/routines taught in Lessons 1, 2 and 3. Be careful of memorizing a whole Patter routine - you'll inevitably forget a call, especially in a long routine and then your floor breaks down and you will probably have to regroup.**

SSD LESSON 4 (WEEK 6)

TIP 3

In this Tip, we are going to learn **GRAND SQUARE**.

Callers, Grand Square comes from way back in Square Dance history and was used in Quadrilles which were danced in Square formation with a strict adherence to timing. Unfortunately today, many dancers have taken the dance out of the Grand Square with Twirls and Swings, high fives and often a lot of collisions and hanging around waiting for the figure to end because they finish too early. Don't let your angels corrupt the new dancers. Remember **Thirty -Two** full beats of music are needed to dance the Grand Square properly.

The Grand Square gives you an opportunity to sing the song lyrics, so enjoy!

A DEMONSTRATION FOR THE HEADS' PART AND THEN FOR THE SIDES' PART WOULD BE USEFUL TO SHOW THE SQUARE PATTERN FOR EACH DANCER AND THE TURNS ON THE 4TH STEPS

GRAND SQUARE {32 Steps exactly}

Sides, please step back out of the Square and watch the Heads. Your turn is coming!

Heads, you are going to walk the four sides of your own individual square.

Wave to your opposite. That person and your Partner are the only two dancers you will face dancing the Grand Square.

You will take four steps for each side of your individual square but the fourth step will be a 90° turning step or a stopping step.

Heads take 3 steps forward, turning one quarter (90°) on the fourth step to face the Centre of the Square and your Partner. (That's one side of your individual square.)

Now back away 3 steps to the side of the square. Turn one quarter (90°) on the fourth step to face the original Opposites. (Two sides of your individual square.)

Back away three steps to the corners of the square (and turn one quarter (90°) on your fourth step to face original Partners (three sides)

Walk forward 4 steps stopping at home. DO NOT TURN. (Four Sides) *(Total to here: 16 steps - half way.)* From this point the action is reversed:

Heads back away from their partners (3 steps), turning one quarter (90°) on the fourth step.

Walk forward to the opposites (3 steps). Turn one quarter on the fourth step

Walk forward into the centre toward partners (3 steps). Turn one quarter (90°) on the fourth step to face opposites,

Take partner's hand and back up to home four steps and stop *(total: 32 steps)*.

Did you notice that the only two people you face in a Grand Square are your Partner and your Opposite?

**Repeat this whole routine for the Heads only *(Have them clap once on the turning step)*
Heads Ready, Grand Square: Forward, 2, 3, clap and Turn, Back, 2, 3, clap and Turn,
Back, 2, 3, clap and Turn, Forward, 2, 3, Stop
Reverse: Back 2, 3, clap and Turn, Forward 2, 3, clap and Turn, Forward 2, 3, clap and
Turn, Back 2, 3, Home!**

Now have the Heads step back out of the Square. Sides step back into their Home position.

Sides, wave to your opposite. That person and your Partner are the only two dancers you will face dancing the Grand Square. You are going to walk the four sides of your own

individual square. You will take four steps for each side of your individual square but the fourth step will be a 90° turning step or a stopping step.

Sides, because the Heads are starting the Grand Square by walking into the middle of the Square, you have to start by facing each other. So the Call will start with “Sides Face, Grand Square” (*The call may also start with the Heads, or other designated dancers, directed to face.*) Ready?

SIDES FACE, GRAND SQUARE: Turn to face your Partner, nose to nose. Back apart 3 Steps, turn on the 4th Step and face across the Square to your Opposite (One side of your individual square)

Go forward 3 Steps, turn and face the centre and your Partner your 4th Step (2 Sides)

Go forward 3 Steps, turn on your 4th Step to face your opposite (3 Sides)

Back away 3 Steps and Stop on your 4th Step (4 Sides). DO NOT TURN.

Reverse: Go Forward 3 Steps and turn on your 4th Step to face your Partner.

Back away 3 Steps and turn on your 4th Step, to face your opposite

Back away 3 steps and turn on your 4th Step,

Go forward 3 steps and as a couple, turn on your 4th Step, to face the centre of the Square at home.

This time clap once on your turns:

Sides Face, Grand Square: Back 2, 3, clap and Turn, Forward 2, 3, clap and Turn, Forward 2, 3, clap and Turn, Back 2, 3, Stop. Reverse: Forward 2, 3, clap and Turn, Back 2, 3, clap and Turn, Back 2, 3, clap and Turn, Forward 2, 3, Face Centre.

All Square your Sets. (*Remember, Grand Square takes 32 steps or beats of music. Make your turns crisp and precise, DON'T GET SLOPPY and remember this: THERE ARE NO SWINGS ANYWHERE IN A GRAND SQUARE!*)

Callers: Encourage your dancers to count the Grand Square in their heads every time.

Routine #1: (All together now) and clap as you turn) Sides Face, Grand Square, (16 Steps. Reverse, 16 Steps) Allemande Left, Weave the ring, Meet Partner, Turn by the Right arm back to Corner Allemande Left, Promenade

Caller: Have them all join hands and Circle Left 1/4 so that the Heads are now standing in the Side position and the Sides at the Head position. They won't always be a Head or a Side when they Square up for a new Tip so for practice:

Routine #2 New Sides go forward and back, New Heads go Forward and back. New Sides Face, Grand Square, Four Ladies Promenade inside, Swing Partner, Promenade.

Routine #3: Sides go forward and back, Heads go Forward and back. Careful now! HEADS Face, Grand Square, Allemande Left, Grand Right and Left, Swing Partner, Promenade home.

(Callers, you may choose to say nothing after you call Sides Face Grand Square and just let them dance to the music or you may, in the middle Break, (Sides Face GS, Heads face GS) call the whole song. Callers, don't forget to say Heads Face GS in the middle!) IF YOU NEED TO, COUNT THE STEPS OR BEATS (64 for a full Break, 32 for a full GS, 16 for half GS) It will help when dancers are dancing the Grand Square, if you tell them "Reverse" at the mid-point (at Count 16)

TIP 4

Using Routines from previous lessons, call some patter material that will review calls that may have caused problems. Remember, you are using Standard Applications, so don't get tempted to get fancy - just because you can, does not mean that you should. This is a good time to get some wind in their faces - good, smooth flowing SA material that lets them dance with success.

Don't forget to mention styling - shuffling the feet, nice crisp turns on the Grand Square, letting go hands as you turn on the Square Thru.

Here is a Routine that is just a bit different:

FOUR MEN MAKE A RIGHT HAND STAR, PICK UP PARTNER STAR PROMENADE.
FOUR BOYS **KEEP YOUR STAR** GIRLS GO RIGHT AROUND PARTNER
DIVE UNDER HIS RIGHT ARM LOOK FOR CORNER, ALLEMANDE LEFT
RIGHT AND LEFT GRAND TO HOME.

And a Grand Square that only goes 1/2way:

WEAVE THE RING, MEET PARTNER, SWING, PROMENADE

Singing Call:

TIP 5

These are the calls that you have taught so far. Remember, repetition is key for new dancer learning, so when planning your Tips, be sure to use all of these calls during the Lesson.

Call some Patter using some of these calls in a way that is familiar for the dancers so that they have success. Use the **Routines in the Lesson plans.**

Here is a Patter Routine you could call:

CIRCLE LEFT, REVERSE BACK GO SINGLE FILE
THE LADY IN THE LEAD, GIRLS BACKTRACK, MEET PARTNER

TIP 6

You are on a roll! Let's continue with Patter calling using more of the calls learned so far. Be sure to use a different Hoedown and work your Singing call Figure (below) into the Patter.

Be careful that you are not using the same way to start your Patter. For example, there are many Equivalents using the calls you have taught so far that you can use to get you where you want to go :

Heads / Sides Promenade 1/2? Try

Hds/Sds Pass Thru and Wheel Around, or
Hds/Sds Pass Thru, Courtesy Turn.
How about Hds/Sds Slide Thru, Star Thru?
One more: Hds/Sds 1/2 Sashay, Pass Thru, UTB.

You have lots of ways to make an Equivalent to **Square Thru Four;**

Hds/Sds Star Thru, California Twirl;
Hds/Sds Promenade 1/2, Star Thru, Pass Thru;
Hds/Sds Pass Thru, Wheel Around, 1/2 Sashay, Slide Thru;
Hds/Sds Ladies Chain, Hds Circle Four 3/4, Pass Thru;

TIP 7

Call one last Singing Call. Choose a song you have not used so far and use an OBC and Figure from one you have used. They'll never notice!

If you have not taken a look at the Music For Callers website, it is the most useful source of Square Dance music - Patter and Singers. Most of the recording labels are here and you can browse to your heart's content. <http://www.musicfor callers.com>

COUPLES CIRCULATE {4 Steps}

For a Couples Circulate, we need to get the dancers into Two Faced Lines:

Heads Lead Right, Circle Four half way, Veer Left, Everybody just stay where you are in that Two Faced Line.

We are going to learn the call COUPLES CIRCULATE. Can you see the Circulate path?

Callers: remind them of Simple rule: if you see another couple's backs, walk directly forward to stand in their place. If you can't see a back, then 'turn the corner' to the next position. **DO NOT LOOK BEHIND YOU!** Stay on your own path.

Ready? All walk forward as a Couple to take the next place in the formation and be sure you are still in the Two Faced Line formation when you get there. You've done a COUPLES CIRCULATE

Callers: New dancers love to see what is going on behind them. **Tell them they must keep their eyes looking forward and walk forward.** Tease them by saying that dire penalties (usually a huge fine) will be imposed if they try to look behind them.

Ready?

**Couples Circulate, Good! Let's do that again, Couples Circulate.
And again, Couples Circulate. One more time, Couples Circulate, Bend the Line,
Forward and Back, Circle Left, Allemande Left, Promenade Home.**

**Routine #1: Heads Square Thru 4, Pass Thru, Wheel Around, Veer Left,

TIP 3

Start your Tip with some review patten for Veers, Lead Left and Right and Couples Circulate.

TRADE {4 Steps}

The call we are going to learn is called TRADE. Any time we do a Trade, we will take the footsteps of the one we trade with and also we will turn 180°

For this first look at Trade, we are standing side by side at Home. Now we will do a “PARTNER TRADE.” Everybody face your partner, let go hands. Pass by right shoulders and turn 1/4 (*men right, ladies left in this case*) You are all facing out of the set. Let’s do it again, All Partner Trade. You should be Home.

Routine #1: Heads Pass Thru, Partner Trade, Sides Pass Thru, Partner Trade, Circle Left to Home.

Callers, most often when we trade we are standing next to someone who is facing the opposite way and holding hands with us (e.g. in a wave) For this Trade, we keep the hand hold between us (drop hand with anyone else) and by walking forward and around each other, change places and turning 180° Let’s try this:

Routine #2: Heads Lead Right, Veer Left, Girls holding Right hands Trade with each other. All with their new partner, Partner Trade. Boys are in the middle holding Left Hands, Boys Trade. Couples Circulate, Bend the Line, Circle Left 1/4, Home!

Routine #3: Sides Lead Right, Veer Left, Girls holding Right hands Trade with each other. All with their new partner, Partner Trade. Boys are in the middle holding Left Hands, Boys Trade. Couples Circulate, Bend the Line, Circle Left 1/4, Home!

Now repeat routine #2 as a Patter but leave out the directional calls: Remember to use both Heads and Sides to start.

HEADS / SIDES LEAD RIGHT, VEER LEFT, GIRLS TRADE.
WITH A NEW PARTNER TRADE, BOYS TRADE, COUPLES CIRCULATE,
BEND THE LINE, CIRCLE LEFT, HOME!

Singing Call:

OBC

SSD LESSON 5 (WEEK 8)

TIP 4

Sometimes when we call (Named dancer - boy/ girl, ends/centres) Trade, these dancers will not be standing next to each other:

Routine #1: Heads Lead to the Left, All Veer to the Right and stop.

The girls are all on the ends of their individual lines. Dancers, don't do this yet. When I call "Girls in the same Line, Trade," the girls will walk forward and around to the other end of their line and take hands with a boy.

Now, listen carefully, here we go: Girls, in the same line, Trade, Boys in the middle, Trade, Couples Circulate, Bend the Line, Circle Left, Stop at Home (short trip)

Routine # 2: Sides Lead to the Left, All Veer to the Right, Girls in the same line, Trade, Boys in the middle Trade, Couples Circulate, Bend the Line, Circle Left, Stop at Home (short trip)

Routine #3: Heads Lead Right, All Veer Left, Girls Trade, Couples Circulate, Boys Circulate, Girls Circulate, Boys same line Trade, Couples Circulate but keep going and Wrong Way Promenade Home.

Routine #4: Sides Lead Right, All Veer Left, Girls Trade, Couples Circulate, Boys Circulate, Girls Circulate, Boys same line Trade, Couples Circulate but keep going and Wrong Way Promenade Home.

COUPLES TRADE 6 {Steps}

Continuing with the idea of TRADE, let's look at **Couples Trade**.

Routine #1: Heads Lead Right, Veer Left. (*We have a two Faced Line. When we call, Couples Trade, each couple in the Two Faced Line, moving as a unit, wheels across to the other end of the same Two Faced Line. The couples have simply swapped ends (and of course facing direction) in the same 2-Faced line.*) Ready? Couples Trade, Couples Circulate, Couples Trade, Bend the Line, Pass Thru, Wheel Around, Join Hands, Circle Left, Allemande Left, Promenade Home.

Routine #2: Sides Lead Right, Veer Left. Couples Trade, Couples Circulate, Couples Trade, Bend the Line, Pass Thru, Wheel Around, Join Hands, Circle Left, Allemande Left, Promenade Home.

Routine # 3: Heads Pass Thru, Wheel Around, Lead Left, Veer Right, Couples Circulate, Couples Trade, Bend the Line, Pass Thru and Promenade Home.

CHAIN DOWN THE LINE {8 Steps}

We are going to do the Call “CHAIN DOWN THE LINE”. Men, remember the word ‘Chain’ always means you have a job to do: Courtesy Turn a lady. Ladies, whenever you chain, you always trade places.

Heads Pass Thru, Partner Trade, Star Thru, Pass Thru, Veer Left,

(Don’t do it yet) To start the CHAIN DOWN THE LINE, the ladies holding Right hands, will Trade with each other by turning 1/2 by the Right in the middle of the line.) Let’s do that now Ladies: Ladies Trade

(Don’t do it yet) The men, as the ladies are trading, will turn 1/4 to face down the line ready to take the lady’s Left Hand in your Left Hand and courtesy turn her.

Let’s do that now, Men, - Courtesy Turn the lady that just chained towards you. The call chain Down the Line will end up with couples facing.

SSD LESSON 6 (WEEK 9)

TIP 1

RIGHT AND LEFT THRU {Static Square 8 Steps, Box 6 Steps}

We've danced a little routine: PASS THRU AND COURTESY TURN. Now instead of Passing Thru and Courtesy Turning, we are going to start with a Pull By and give this little routine a name.

It's called RIGHT AND LEFT THRU. Notice, especially Ladies, it's called Right and LEFT Thru so you will use your Right hand and then your Left hand.

Callers, it is very important when doing a Right and Left Thru, that the dancers let go the right hand as soon as they have pulled past each other. If they hang on too long the boys will pull the ladies to their right so that they cannot give their left hands for the Courtesy Turn and their tendency will be to turn to the Right, away from the man who is waiting to Courtesy Turn them. The men should put their left hands out and forward and slightly to the right to encourage the ladies to take it with their left hand.

What a Right and Left Thru will do is exchange the facing couples.

Let's have the Heads Step forward and face your Corner. Star Thru (and we have lines facing.) Everybody Pass Thru and Courtesy Turn the one beside you.

Ready for the new move? Give a RIGHT hand to the one you face and gently pull straight past letting go hands and now give a LEFT hand to the one beside you and boys, Courtesy Turn this girl. That's a RIGHT AND LEFT THRU. Allemande Left and Square your Sets

Routine #1: Heads go forward and back, Heads go Right and Left Thru. (*Pull By Right, Left to this Partner and Courtesy Turn*) Sides go forward and back, Sides go Right and Left Thru. (*Pull By Right, Left to this Partner and Courtesy Turn*) All Circle Left 1/2 Way Home.

Routine #2: Heads Promenade 1/2, Come down the middle, Right and Left Thru. Sides Promenade 1/2, Come down the middle, Right and Left Thru. All are Home.

Routine #3: Heads Right and Left Thru, Star Thru, Pass Thru, Right and Left Thru, All Veer Left and Bend the Line, Two Ladies Chain, Slide Thru, Allemande Left, Two Steps Home.

Routine #4: Sides Right and Left Thru, Star Thru, Pass Thru, Right and Left Thru, All Veer Left and Bend the Line, Two Ladies Chain, Slide Thru, Allemande Left. Two Steps Home.

Callers: You will notice that dancers will hesitate before doing a Right and Left Thru following a Square Thru Four. This is because they are standing closer to the opposite couple with whom they are to do the RLT, than they were when doing a RLT from Home position.

FLUTTERWHEEL {8 Steps} DEMO ADVISED

This call will have the men change places.

Ladies (Right Hand dancers) lead the call by going into the centre and turning by the right forearm as if starting an Allemande Right. As they move adjacent to the opposite man (who starts to walk straight forward), they take his right hand in their left. They continue turning on around to the lady's starting position, releasing arms in the centre and turning as a couple to face the centre.

NOTE to Callers FYI: it is always the RH dancer who starts a Flutterwheel.

Routine #1: Head Ladies lead, Flutterwheel, (*Take right forearm hold, wheel across, get that man and bring him home.*)

Side Ladies lead Flutterwheel, (*Take right forearm hold, wheel across, get him and bring him home*) All four Ladies Chain, Men Courtesy Turn original partner, Promenade home.

Routine #2: Heads Square Thru Four, Right and Left Thru, Flutterwheel, Star Thru, Flutterwheel, Slide Thru, Allemande Left, 2 Steps Home

Routine #3: Sides Square Thru Four, Right and Left Thru, Flutterwheel, Star Thru, Flutterwheel, Slide Thru, Allemande Left, 2 Steps Home

ALL FOUR LADIES FLUTTERWHEEL {12 Steps}

Just as in 4 Ladies Chain, all four Ladies will make a RH Star in the centre (don't do it yet!) turn the Star and pick up the opposite man with your Left hand and bring him back to your home position.

TIP 3

REVERSE FLUTTERWHEEL

Men, here's how you do a Flutterwheel, but it is called:

REVERSE FLUTTERWHEEL {8 Steps}

Head Men (LH dancer) take a LEFT forearm hold with the opposite man and turn across the square and pick up opposite lady with your Right hand as she walks forward, and bring her home. You've done a Reverse Flutterwheel.

Side Men (LH dancer) take a LEFT forearm hold with the opposite man and turn across the square and pick up opposite lady with your Right hand as she walks forward, and bring her home. You've done a Reverse Flutterwheel. (Keep those same Partners now for Routine #1)

Note for Callers: Reverse Flutterwheel is an Equivalent for Ladies Chain.

Flutterwheel + Reverse Flutterwheel (or Reverse Flutterwheel + Flutterwheel) is an Equivalent for Right and Left Thru.

**Routine #1 Head Men (LEFT Hand) Reverse Flutterwheel,
Side Men (LEFT hand) Reverse Flutterwheel, All are Home**

**Routine #2: Heads Right and Left Thru, Head Ladies lead, Flutterwheel,
Head men Reverse Flutterwheel, Home
Sides Right and Left Thru, Side Ladies lead, Flutterwheel,
Side men men Reverse Flutterwheel, Home**

ALL FOUR MEN REVERSE FLUTTERWHEEL {12 Steps}

Men, when all four of you Reverse Flutterwheel, you must first make a LEFT HAND STAR in the middle of the square and turn that Star across the set to the opposite lady whom you pick up with your Right Hand as she walks forward and you continue turning the Star as you take her to your Home position.

Routine #1: All four Men Reverse Flutterwheel, All four Ladies Chain, Home

Now call some Patter to review calls from previous lessons. It is important that the dancers get to dance what they have learned so far and not get stuck in the learning mode. Get the wind in their faces!

TIP 4

FLUTTERWHEEL + SWEEP 1/4 {8 Steps + 4 Steps}

We are going to add to the Flutterwheel calls with **SWEEP A QUARTER** (Sweep 1/4)

The Sweep 1/4 continues the turning motion of the Flutterwheel as the ladies lead the men 1/4 further around to face the other couple between the non-active couples. If they look past the other “flutterwheeler” they can see their Corner when this routine starts with a Squared Set.

Walk the dancers through this: Head Ladies lead, Flutterwheel, (*Go across, get that man, bring him back but don't stop at home.*) SWEEP 1/4, (*Keep circling with him 1/4 more, until you are standing between the two inactive couples.*) Can they see their Corner? Pass Thru, Allemande Left, Home.

Side Ladies lead, Flutterwheel, (*Go across, get that man, bring him back but don't stop at home.*) SWEEP 1/4, (*Keep circling with him 1/4 more, until you are standing between the two inactive couples.*) Can they see their Corner? Pass Thru, Allemande Left, Home.

Callers, Flutterwheel (or Reverse Flutterwheel) + Sweep 1/4 + Pass Thru is an equivalent to Square Thru Four)

Routine #1: Head Ladies lead, Flutterwheel, Sweep 1/4, and Pass Thru, Make a Right Hand Star, Turn star full around, Girls turn and face your corner, Allemande Left, (Home)

Routine #2: Side Ladies lead, Flutterwheel, Sweep 1/4, and Pass Thru, Make a Right Hand Star, Turn star full around, Girls turn and face your corner, Allemande Left, (Home)

SSD LESSON 7 - PART A (WEEK 10)

PART A - TIP 1 (Callers, make sure you are starting each Lesson with some easy Patter to review the calls from the previous Lesson.)

CIRCLE TO A LINE {8 Steps} DEMO DESIRABLE

Callers, the Lines formed by this action are variously known as 1P2P or PL as all dancers have their original Partner in the lines formed and the dancers are in sequence.

Callers please note: Over the years the action of this call has changed in some Regions to save the ladies from having to duck under a man's arm. You will encounter the traditional way of doing this call if you dance with other clubs or chat with experienced callers. If you want to do this call in the traditional way then follow the definition given in the CALLERLAB Mainstream Definitions.

CIRCLE TO A LINE

Don't do this yet. The caller will say, "Heads Lead Right, Circle to a Line."

So let's do just the first part now - Heads Lead Right and Stop.

To do the CIRCLE TO A LINE , I want the inside couple, (*Heads in this case*) to Veer Left. Now, Head Man, leading your partner by the hand, walk forward and around behind the couple you were facing. (*You are now looking at the back of that same couple.*) Now, maintaining handhold, you will slide to your LEFT to become the Left end of a line.

Meanwhile the outside couple, maintaining hand hold with your partner, slide to your LEFT to allow the other couple to circle behind you (Square breathing) and then slide to your Right, adjusting to make a straight line facing across.

Square your set now and walk through this sequence again as many times as you need to and with the sides taking a turn.

Note that it is the inside couples who lead to their Right who will do most of the action.

Routine #1: Squared Set Ready? Heads Lead Right, Circle to a Line, Lines go Forward and Back, All join hands and Circle Left, Allemande Left, Promenade Home.

Routine #2: Sides Lead Right, Circle to a Line, Lines go Forward and Back, All join hands and Circle Left, Allemande Left, Promenade Home.

Routine #3: Heads Lead to the Right, Circle to a Line, Go Forward and Back, Right and Left Thru, All Pass Thru, Partner Trade. (Dancers should always keep the lines facing until the next call. There is a tendency for the line ends to reach across and try to make a circle. DON'T!) Slide Thru and Square Thru Three, Allemande Left, Promenade Home.

Routine #4: Sides Lead to the Right, Circle to a Line, Go Forward and Back, Right and Left Thru, All Pass Thru, Partner Trade, Slide Thru, Square Thru Three, Allemande Left, Promenade Home.

Our next call is DOUBLE PASS THRU {4 Steps}

We've done Pass Thru, so DOUBLE PASS THRU is just that: the dancers will walk forward passing by (Right Shoulders) TWO people instead of one.

Callers: Note new terminology: LEADERS

Heads Star Thru. This puts a Side Couple behind you, so the Heads are in the lead - they are the "Leaders." All walk forward passing right shoulders with the oncoming traffic until you have passed two dancers. That's a DOUBLE PASS THRU.

SSD LESSON 8 - PART A (WEEK 13)

PART A - TIP 1

ALAMO STYLE { 4 Steps}

We're going to learn the formation called an Alamo Ring.

(Demonstrate, using just three dancers - 1 man 2 girls - the Allemande Left, Right to Partner, showing how to keep the left hands joined while you join right hands with your partner.)

Now have the same three demonstrate the Balance {4 Steps} - Step Forward and Touch, Step Back and Touch.

The Call to get into this formation is: "Allemande left in the Alamo Style, Right to your Partner and BALANCE awhile.

Square your sets.

Everyone listen carefully and let's do this: Do an Allemande Left, but don't let go your left forearm grip. Instead as you start to turn, let your hands slip down to join and keep that handhold as you turn to take your Partner's Right hand in yours - all hands palm to palm about shoulder height. Grip is a gentle one, with the thumbs only. Men facing the centre, ladies facing out. You now have an Alamo Ring - one dancer facing in, the other facing out.

Balance, (Step Touch, Step Touch). Don't do it yet, but we're going to SWING THRU, (Turning 1/2 Right then 1/2 Left.)

Ready? Let go Left Hands, Swing Thru, turn 1/2 by the Right, Let go Right hands, Turn 1/2 by the Left, re-establish connection with next dancer with your Right hand to

reform the Alamo Ring. The two 1/2 turns of the Swing Thru are continuous, Palm to Palm connection throughout.

Now, Swing Thru again, 1/2 Right, 1/2 Left. (Note, dancers are not facing their partner but are adjacent after the second Swing Thru and so need to be reminded: You're holding Right Hands, don't let go. Face your partner and do a Right and Left Grand.

Routine #1: Allemande Left in the Alamo Style, Balance, Swing Thru, Swing Thru, Right and Left Grand - you should be Home, Square your sets.

Routine #2: Allemande Left in the Alamo Style, Balance, Swing Thru, Swing Thru, Turn BY THE RIGHT, back to your Corner, Allemande Left and Weave the Ring, Swing Partner and Promenade.

Routine #3: Allemande Left in the Alamo Style, Balance, Swing Thru, Swing Thru, Now listen closely: Squeeze your LEFT hand and LEFT Swing Thru, (1/2 Left, 1/2 Right) LEFT Swing Thru again, Allemande Left, 2 Steps Home

PART A - TIP 2

SWING THRU (in a wave) {6 Steps} DEMO NECESSARY:

Show the dancers how to step to an Ocean Wave from facing couples. Hands should be palm to palm about shoulder height and any grip is gentle and by the thumb only! Dancers will step forward individually and Veer slightly to their left to make the wave. Let them see the formation.

Heads (Sides) Square Thru Four, (*Right Hands Up*) Step to an Ocean Wave. (*Men are on the ends, Ladies in the middle with Left Hands Joined*)

Remind them that they have previously done Swing Thru in an Alamo Style wave. Swing Thru is: Turn half by the Right and if you can, 1/2 by the left.

So, let's Swing Thru: (*Turn 1/2 by the Right (everyone can), now those who can - Centres - turn 1/2 by the Left. Remember, Swing Thru is always a two part movement - 1/2 Right, 1/2 Left) done without stopping.*

Do it again: Swing Thru (*1/2 Right, 1/2 by the Left*) and again Swing Thru, and one more time Swing Thru, All step back and stand in front of your corner, Allemande Left, Two steps Home.

Routine #1: Heads Right and Left Thru, Star Thru, Pass Thru, Step to a Wave, Swing Thru, Swing Thru, Swing Thru, Swing Thru, Step back and Allemande Left, Home.

Routine #2: Sides Square Thru Four, Right and Left Thru, DoSaDo to an Ocean Wave, (*Do a DoSaDo and then step to an Ocean Wave*) Swing Thru, Swing Thru, Swing Thru, Swing Thru, Step back and Right and Left Thru, Allemande Left, Home.

RUN {4 Steps} (Dancers do not actually *run*!)

MEN RUN: {4 Steps}

Heads Flutterwheel, Sweep 1/4, Pass Thru, Step to an Ocean Wave, Swing Thru.

Now men, walking forward in a semi circle to your Right, go around the girl next to you to end by her side facing the same way she is. Girls, as the man does this, you have to slide together towards the centre of the wave to keep the Wave from spreading. Men, you have just done “Men Run,” (*You didn’t really run did you?*) At this point you have a Two-Faced Line. Bend the Line, Go Forward and Back. Two Ladies Chain across, and then with the one across from you Slide Thru and you are facing your corner, so step to an Ocean Wave and in the next routine we’ll try that again:

Routine #1: All Swing Thru, Boys Run, Bend the Line, Now straight across Men Reverse Flutterwheel, and with the one you face across from you Slide Thru, Left Allemande, Two steps to home.

Routine #2: Heads Square Thru Four, DoSaDo to an Ocean Wave, (*Do a DoSaDo and then step to an Ocean Wave as before*) Swing Thru, Boys Run, Couples Circulate, Chain Down the Line, Star Thru, Dive Thru, Centres Slide Thru, Back away, Home.

SSD Lesson 8 - Part B Calls:

Trade in an Ocean Wave

Cross Run

SSD LESSON 8 - PART B (WEEK 14)

PART B - TIP 1

MEN TRADE (in a wave)

Callers: “Swing Thru, Boys Run” is so commonly called that the Boys very quickly start to anticipate and start to Run before it is called. To stop the anticipation, call this:

Heads / Sides Promenade 1/2, Down the middle Star Thru, Pass Thru, Step to a Wave. Swing Thru and STOP! The two men are in the middle of the wave holding Left hands.

We are going to do a TRADE. For the men to trade, you will have to turn 1/2 by the left hand (*the hand by which you are holding each other*) so that you have traded places on the floor and each has also turned 180° from his starting position.

Ready? Men Trade, Men Run around the girl, Bend the Line, Square Thru 3/4, Look for the Corner Allemande Left, 2 Steps Home.

Remind them not to anticipate that a Swing Thru is automatically followed by a Boys Run.

Routine #1: Heads Flutterwheel, Sweep 1/4, Pass Thru, Step to a Wave, Swing Thru, BOYS WITH LEFT HAND, TRADE, Boys Run around a girl, Bend the Line, Go Forward and Back, Square Thru 3/4, Left Allemande, Come home, Square your Sets.

Routine #2: Sides Reverse Flutterwheel, Sweep 1/4, Pass Thru, DoSaDo to a Wave, Swing Thru, BOYS TRADE, Boys Run, Bend the Line, Right and Left Thru, Slide Thru, Left Allemande, 2 Steps Home.

Callers: You don't have to say, "Step to a Wave." or "DoSaDo to a Wave." every time you want the dancers to be in an Ocean Wave. Once they are familiar with a wave followed by Swing Thru, you may omit the helping words:

Routine #3: Heads Square Thru Four, Swing Thru, Boys Run, Bend the Line, Right and Left Thru, Flutterwheel, Slide Thru, Allemande Left, Square your Sets.

Routine #4: Sides Square Thru Four, Swing Thru, Boys Run, Bend the Line, Right and Left Thru, Flutterwheel, Slide Thru, Allemande Left, Square your Sets.

Routine #5: Sides Flutterwheel, Sweep 1/4, Pass Thru, Swing Thru, BOYS TRADE, Boys Run, Bend the line, Star Thru, Dive Thru, Square Thru Three, Allemande Left, 2 Steps Home.

LADIES RUN: {4 Steps}

Heads Right and Left Thru, Rollaway, Star Thru, Step to a Wave, Swing Thru, Swing Thru again.

Now Ladies, it's your turn to run around a boy, so moving to your Right, go forward in a semi circle behind him to his other side, and take his hand (*feels odd but don't panic.*) Boys slide together as the Girl runs around you. With boy stepping back and girls stepping forward, Bend the Line, All Pass Thru and UTB, Star Thru, Flutterwheel, Reverse Flutterwheel, Left Allemande, 2 steps Home.

Routine #1: Heads Star Thru, California Twirl, Swing Thru Double do it twice, Ladies Run around a Boy, Bend the Line, Pass Thru, UTB, Slide Thru, Right and Left Thru, Left Allemande, Two steps Home.

Routine #2: Sides Star Thru, California Twirl, Swing Thru Double do it twice, Ladies Run around a Boy, Bend the Line, Pass Thru, UTB, Slide Thru, Right and Left Thru, Left Allemande, Two steps Home.

Routine #1: Heads Star Thru, California Twirl, Step to an Ocean Wave and Stop!

The two Ladies are in the middle of the wave holding Left hands. We are going to do a Trade. For the ladies to trade, you will have to turn 1/2 by the left hand (*the hand by which you are holding each other*) so that you have traded places on the floor and each has also turned 180° from her starting position.

PART B - TIP 2

CROSS RUN DEMO NECESSARY

Callers: Cross Run is a very underused call in many areas. It will need careful teaching and for dancers to understand their individual roles as a Centre or an End.

Cross Run can be called as ENDS Cross Run or CENTRES Cross Run or BOYS Cross Run or GIRLS Cross run. To complicate things further, Cross Run can be called from Waves, from Two-Faced Lines or from Partner Lines. It will also change a RH wave into a LH wave, a normal Two-Faced Line into a 1/2 Sashayed 2-F Line and a normal Line of Four into a Line where the ends are facing one way and the centre the opposite way.

To better visualize the action of Cross Run, follow it on TAMINATIONS

<https://www.tamtwirlers.org/taminations/#?main=LEVELS>

or use your dolls to better understand what happens when you call Cross Run from the various starting formations.

Say to your dancers, We are going to learn the call CROSS RUN.

When dancing Cross Run, instead of running around the person next to you, as you do in the call “Run”, you have to cross beyond that person. Ends will cross Run into the furthest Centre, while the Centres slide apart.

So, let’s do this.....Heads Star Thru, California Twirl and Step to an Ocean Wave. We have Ends and Centres. Ends, Hold up your left hand, (good job!) Centres raise your joined hands, (Excellent!)

Don’t do it yet. The rule for (Ends) Cross Run: Those in the centre will step sideways apart into the nearest end’s spot without changing your facing direction, while the ends will run into the spot vacated by the furthest Centre - (*You walk forward in a semi-circle and stop when you get there*). Ends, look down your Wave to see where the furthest Centre is, Centres, you will slide or step apart to become an End.

Ready” ENDS Cross Run. Note, you now have a Left Hand Wave.

Don't do it yet but now we are going to do a Centres Cross Run. The rule for (Centres) Cross Run: Those on the ends will step sideways to meet in the Centre, while the centres will run forward in a semi-circle to the farther end spot. Centres, look down your wave to see where you will be going.

Ready? Centres Cross Run to the furthest end. Step back and Allemande Left, Square your Sets at Home.

Callers: It is helpful to give directional words: Centres Cross Run to the farthest end, or Ends Cross run into the farthest Centre.

Routine #1: Heads Right and Left Thru, Star Thru, Pass Thru, Step to a Wave, Ends (boys) Cross Run, (*makes LH wave, boys in centre*), Ends (Girls) Cross Run, (*back to RH Waves girls in centre. Square is Out of Sequence*) Girls (Centres) Cross Run, Boys (Centres) Cross Run, (*back to original Wave*) Step Back, Allemande Left, 2 Steps Home

Routine #2: Sides Right and Left Thru, Star Thru, Pass Thru, Step to a Wave, Ends (boys) Cross Run, (*makes LH wave, boys in centre*), Ends (Girls) Cross Run, (*back to RH Waves girls in centre. Let's take a look at more Cross Runs:

CROSS RUN FROM TWO-FACED LINES. {6 Steps}

Each of the two directed (Active) dancers, who must both be either Centres or Ends run into the spot vacated by farthest inactive dancer.

If the Inactive dancers are Centres, they side step to become Ends; if they are Ends, they side step to become Centres.

When the active dancers are both facing the same way, they first cross with each other (per crossing rule) then run into the vacated spot on the far side.

Routine #1: Heads Square Thru 2, Step to a Wave, Swing Thru, Boys Run, Couples Circulate, Girls, you are Centres, so Girls Cross Run to the farthest end, Boys Slide Together (now Centres), and Cross Run to the furthest end, Chain Down the Line, Slide Thru, Allemande Left, Home

SSD Lesson 9 Calls:

Pass the Ocean

Extend,

Zoom

SSD LESSON 9 (WEEK 15)

TIP 1

PASS THE OCEAN {4 Steps}

Pass the Ocean is another way to get into an Ocean Wave. The definition is: Facing Couples Pass Thru, turn to face the one you passed thru with, and step to a Right Hand Ocean Wave.

So let's try the Heads: **Heads Pass The Ocean** (*Pass Thru, turn to face the one you Passed Thru with, and step to an Ocean Wave.*) Good! Heads just go back home and we'll let Sides do it:

Sides: Pass The Ocean (*Pass Thru, turn to face the one you Passed Thru with, and step to an Ocean Wave.*) Good job! Sides, just go back home.

Callers: Now to make this call smooth, there is a little trick the dancers often do. As the two couples Pass Thru, the Right Hand person in the Couple, (usually the ladies) will touch left hands with the other RH person as they turn to face their partner keeping those hands joined as you would in a wave. The men will walk boldly forward and turn to their right and step to the end of the wave.

Let's smooth it out:

Routine #1: Heads Pass the Ocean, You four Swing Thru, Boys Run, Bend the Line, Two Ladies Chain (Home)

Routine #2: Sides Pass the Ocean, You four Swing Thru, Boys Run, Bend the Line, Two Ladies Chain (Home)

TIP 3

ZOOM {4 Steps}

Our next call is **ZOOM**. The starting position will be one couple following (behind) another or one dancer following behind another so that in effect we have **Leaders** (in front) and **Trailers** (following the Leaders). What Zoom does is to swap the Leaders with the Trailers keeping the same facing direction from which you started.

Callers, do NOT call “Centres Zoom” The Trailers have to be involved and Zoom includes both Leaders and Trailers.

Heads / Sides Star Thru. (The Heads are now the Leaders and the Sides are the Trailers.)

When you hear the call, Zoom, the Leaders (*those in the Centre*) will Separate, (*turn their backs on the one beside them*) and walk 4 steps around in a full circle. They will end in the footsteps of the dancers who were behind them. Go. Take hands with the other “Zoomer” when finished. The Trailers meanwhile step forward into the footsteps of the dancers who were in front of them. Go.

SSD LESSON 10 (WEEK 16)

TIP 1

CENTRES IN {2 Steps}

To be able to do a Centres In, you must have either a Couple standing behind a Couple, (i.e. after a Double Pass Thru) or facing Couples, ie. after a Square Thru Four. It is the job of the outside dancers on hearing the Call, to slide apart to make room for the Centres to step between them.

Callers note: It is rare that Centres In is ever followed by anything but Cast Off 3/4, especially after a Double Pass Thru.

**Routine #1: Heads Square Thru Four, Put Centres In, Centres UTB,
Lines go Forward and Back, Bend the Line, Right and Left Thru, Slide Thru,
Left Allemande, Square your Sets**

**Routine #2: Sides Square Thru Four, Put Centres In, Centres UTB,
Lines go Forward and Back, Bend the Line, Right and Left Thru, Slide Thru,
Left Allemande, Square your Sets**

CAST OFF 3/4 {6 STEPS}

Each half of the line or wave works as a unit and moves forward three quarters around a pivot. If the adjoining dancers are facing in the same direction, the end dancer becomes the pivot while the other dancer moves around the pivot while maintaining a handhold. If the two dancers are facing in opposite directions, the handhold between them becomes the pivot point and they move equally around that pivot point.

Routine #1 Heads Lead Right, Circle out to a Line of Four, Pass Thru and Stop!

(End dancer is the pivot, the other dancer moves around him/her while maintaining a handhold. To count 3/4 of a turn, count three walls as you turn - you will be facing a wall when you start the Cast Off)

Ready? Cast Off 3/4, Make a line of four facing a line of four, Right and Left Thru, Pass Thru, Cast Off 3/4, Lines Forward and Back, Boys Roll the Girls Away, Slide Thru, Left Allemande, Promenade.

Routine #2: Sides Lead Right, Circle out to a Line of Four, Pass Thru and Stop!

(End dancer is the pivot, the other dancer moves around him/her while maintaining a handhold. To count 3/4 of a turn, count three walls as you turn - you will be facing a wall when you start the Cast Off)

Ready? Cast Off 3/4, Make a line of four facing a line of four, Right and Left Thru, Pass Thru, Cast Off 3/4, Lines Forward and Back, Boys Roll the Girls Away, Slide Thru, Left Allemande, Promenade.

Routine #3 Heads Square Thru Four, Put Centres In *(Heads step between the side dancers who move apart then the two adjacent dancers join hands about shoulder height - these joined hands become the pivot point,)* **Cast Off 3/4, ENDS Run,**

Right and Left Thru, Pass Thru, Face your Corner, Left Allemande, 2 steps Home.

Routine #4 Sides Square Thru Four, Put Centres In, *(Heads step between the side dancers who move apart then the two dancers join hands about shoulder height - these joined hands become the pivot point)* **Cast Off 3/4, ENDS Run, Right and Left Thru,**

Pass Thru, Left Allemande, 2 steps Home.

Callers: This next Routine will test the dancers ability to do Wheel and Deal with a different combination of partners and boy/girl positions. So that you can see what is going on, follow the entire Routine as you work your dolls or checkers through it. It might then be best to walk it thru slowly with your dancers - remember to repeat the Routine starting with the Sides. When dancers successfully complete this Routine, they feel a great sense of accomplishment.

Routine #5 Heads Lead Right, Circle out to a Line of Four, Pass Thru, Wheel and Deal, Double Pass Thru, PUT CENTRES IN, (*Centres are the Trailers, they step in between the two dancers in front of them , who step apart making a momentary line of four facing out, ends are the pivots*) Cast Off 3/4, New Lines Pass Thru, Wheel and Deal, Double Pass Thru, PUT CENTRES IN, Cast Off 3/4, New Lines Pass Thru, Wheel and Deal, Double Pass Thru, PUT CENTRES IN, Cast Off 3/4, Lines go Forward and Back, Star Thru, Square Thru 3/4, Allemande Left, Promenade home.

FERRIS WHEEL {6 Steps} DEMO NECESSARY

Heads step ahead and face corner and step to an Ocean Wave, Swing Thru, Boys Run. We have two couples facing into the centre and two couples facing out of the Square.

The two couples facing in, take two steps forward to make a momentary Two Faced Line in the Centre with the other in-facing couple.

Without stopping, maintain handhold with your partner and Wheel and Deal.

(Each lady (centre of the 2F Line) acts as the pivot and stepping almost on the spot as the men walk forward and around 180° as she also turns 180° to face the other in-facing couple in the centre of the square.)

MAN ALERT! Men do not start to wheel across right away as they will end up dragging their partners backwards. They must step straight forward first into that momentary two-faced line before starting their turn. LADIES, Resist with all your might being dragged backwards!

At the same time, the outfacing couples start like a Couples Circulate but only go two steps forward and then, with the lady (right hand dancer) acting as a pivot, wheel to stand behind the near end centre couple. You've done a FERRIS WHEEL.

Now Centres Pass Thru to face your corner, Step to a Wave, Swing Thru, Boys Run, Ferris Wheel, Centres Pass Thru, Allemande Left, Two Steps Home.

This time, Sides step ahead and face corner and step to an Ocean Wave, Swing Thru, Boys Run, and now, two different couples are facing into the centre and two different couples are facing out of the Square, Ferris Wheel. *(Each lady (centre of the 2F Line) acts as the pivot and stepping almost on the spot as the men walk forward and around 180° as she also turns 180° to face the other in-facing couple in the centre of the square.)*

Now Centres Pass Thru to face your corner, Step to a Wave, Swing Thru, Boys Run, Ferris Wheel, Centres Pass Thru, Allemande Left, Two Steps Home.

Routine #1: Heads Pass Thru, UTB, Star Thru,

Callers Note: The Caller does not have to say, “Step to a Wave” or “DoSaDo to an Ocean Wave.” If he or she just says, “Swing Thru,” dancers must automatically step to a Wave. **Explain this to your dancers and call: Swing Thru, Boys Run, Ferris Wheel, Centres Pass Thru, Allemande Left, Square your Sets at Home**

TRADE BY

Callers: do a quick reminder of Partner Trade (Lesson 5) Have the **Heads Pass Thru and Partner Trade, Sides Pass Thru, Partner Trade**, and repeat this: **Heads Pass Thru and Partner Trade, Sides Pass Thru, Partner Trade**. Make sure the dancers are doing this correctly.

Our next call to learn is **TRADE BY** which is a two part call. When the call starts, two couples will be facing out of the set, backs to the centre, and two couples will be facing in the middle of the set. **Trade By** is often preceded by the call Pass Thru so don't confuse this Pass Thru with the Pass Thru that is part of the call.

Heads step forward and face your corner. All Pass Thru and STOP.

This is the Trade By formation. Two Couples are facing out of the Set and two Couples are facing in the middle of the Set.

To do the call TRADE BY, (Don't do it till I say) those facing OUT will do a Partner Trade while those facing in the middle will Pass Thru. Ready? Everybody Trade By. Now all Pass Thru. Can you see the Trade By formation again? Good, Trade By, Allemande Left, Right and Left Grand and you should be home.

SSD LESSON 11 - PART A (WEEK 18)

PART A - TIP 1

BOX THE GNAT {4 Steps} DEMONSTRATION NECESSARY

Explanation: Two facing dancers, man and lady, step forward then join and raise their RIGHT hands in a loosely held handshake but use fingers only. The man's fingers must be able to turn easily over the lady's fingers as he provides some degree of stability. The lady will do a LEFT-FACE UTB under the raised hands allowing her hands to turn in the man's as the man walks forward and around the lady and does a RIGHT-FACE UTB. Handholds are lowered and the dancers end up **facing directly at each other** with hands still held together at which point they adjust to a normal hand-hold position.

SINGLE HINGE {two Dancers 2 Steps.} DEMO ADVISED

[A Hinge is half of a Trade] The word “Single” is often dropped from Single Hinge.

Heads step forward and face your Corner, Step to an Ocean Wave, Swing Thru and stop right there.

We are going to learn a simple move called SINGLE HINGE. You are holding a right hand with someone so keep the right handhold and walk forward turning right exactly 1/4. That’s a Single Hinge - you simply, as a couple, turn as a unit, one quarter. Now, Boys Run. (Dancers have ended up in the same spot as if the caller had said, “Swing Thru Boys Run, Bend the Line.”)

Routine # 1: Heads Right and Left Thru, Star Thru, Pass Thru, (Ocean Wave) Swing Thru, Single Hinge, Boys Run, Lines Forward & Back, Reverse Flutterwheel, Star Thru, Step to a Wave, Swing Thru, Boys Trade, Hinge, Boys Run, Square Thru 3/4, Allemande Left, 2 Steps Home.

COUPLES HINGE {3 STEPS}

We've learned COUPLES TRADE (Lesson 5) where couples in a Two-Faced Line, with centres acting as the Pivot, moved forward and around to trade places. Since a Hinge is half a Trade, instead of turning 180°, to Hinge, you only turn 90° and you will end up at right angles to your starting formation.

SINGLE FILE (OR COLUMN) CIRCULATE {2 STEPS}

Routine #1: Heads Lead Right, Circle to a Line, Go Forward and Back, With the one you face across the Square, Touch 1/4. The dancers are in a Column formation - one line of 4 dancers facing one way, the other line facing the opposite way. From here they can Circulate. **Don't do it yet but we're going to follow the Circulate rule: If you can see someone's back, you will step forward into that person's spot. The two ends facing out in each line, have no back to see, so they will turn the corner into the other line.**

Ready? Single File Circulate. Do it again Single File Circulate, Boys Run around a girl, Find your Corner, Allemande Left, Promenade Home.

PART A - TIP 4

WAVE CIRCULATES {4 Steps}

Routine #1: Heads Pass the Ocean, Extend. We now have two parallel RH Ocean Waves with the Boys on the ends and the girls in the middle. Boys you are in the outside “circle” so just as you do with Couples Circulate, if you can see someone’s back, (don’t do it yet) you will walk straight forward and stand in that person’s exact footsteps. If you cannot see a back, you will ‘turn the corner’ and walk around to take the place of the next boy in your ‘circle’ at the other end of the wave.

Ready? Boys Circulate, Boys Circulate again.

Now Girls, you are in an inside ‘circle’ and so have to take a tighter path but the rules are the same: if you can see someone’s back, (don’t do it yet) you will walk straight forward and stand in that person’s exact footsteps. If you cannot see a back, you will ‘turn the corner’ sharply to the Left in this case, to take the place of the next girl in your ‘circle.’ The Centres in a Wave Circulate must stay Centres. (Ends of course stay Ends)

Ready? Girls Circulate, Girls Circulate again, All Swing Thru, Boys Run, Ferris Wheel, Centres Pass Thru, Allemande Left, Promenade Home.

Routine #2: Sides Pass the Ocean, Extend, Boys Circulate, Boys Circulate again, Girls Circulate, Girls Circulate again, All Swing Thru, Boys Run, Ferris Wheel, Centres Pass Thru, Allemande Left, Promenade Home.

Routine #3: Heads LEFT Touch 1/4, Girls Run, (all facing Corner) Step to a Wave, Let’s all do it together: ALL EIGHT CIRCULATE (Boys (Ends) stay on the outside track, Girls (Centres) stay inside) ALL EIGHT CIRCULATE, Swing Thru, Boys Run, Ferris Wheel, Centres Pass Thru, Allemande Left, Promenade Home.

Routine #4: Sides LEFT Touch 1/4, Girls Run, (all facing Corner) Step to a Wave, Let’s all do it together: ALL EIGHT CIRCULATE (Boys (Ends) stay on the outside track, Girls (Centres) stay inside) ALL EIGHT CIRCULATE, Swing Thru, Boys Run, Ferris Wheel, Centres Pass Thru, Allemande Left, Promenade Home.

Things will change if we first Swing Thru before the Circulate:

**Routine #5: Heads Right and Left Thru, Rollaway, Slide Thru, (face your Corner)
Step to an Ocean Wave, Swing Thru and Stop.**

Callers - Point out that the Girls are now the Ends and the boys are Centres. So if we Circulate from here, the Girls go around the outside and the Boys will stay in the middle and turning to their Left if they cannot see someone's back.

PART B - TIP 4

Use this Tip to again call Patter so that the dances can enjoy stress free dancing. Remember the “KISS” principal and remember too, that with SSD we are dancing Standard Position choreo. Don’t be tempted to stretch the Patter into a five minute marathon or dazzle them with clever, choreo.

Here is a Singing Call to use after the Patter.

PART B - TIP 5 Two Singing Calls

Make sure you choose two Singing calls with a different musical theme. If one is really upbeat then you might want the second one to be more laid back. If one is Country and Western, then the second one could be a Pop tune.

At this point in the SSD teach, you will find that many of the Singing Calls in your collection will have a Figure with Calls that fit the SSD list and the appropriate Lesson Use them!

SSD LESSON 12 - PART B (WEEK 21)

Calls in SSD Lesson 12 - Part B

Scout Back,
Recycle

SSD LESSON 12 - PART B (WEEK 21)

PART B - TIP 1

SCOOT BACK {6 Steps} DEMONSTRATION NECESSARY

We're going to learn the Call SCOOT BACK

Scout Back is a complicated way to do a Partner Trade (Remember that your "Partner" is always the one you are standing next to.)

Heads Touch 1/4, Boys Run, With your Corner Touch 1/4. Notice that you are holding a "Partner" with your right hand. All Partner Trade. Notice that the two of you have changed places and this is what a Scout Back will do. All Partner Trade again.

So when doing a SCOOT BACK, first see whose eyes you can see on a slight right diagonal across in the other wave. Right now, two men are able to do this - Right, Men?

Now, DON'T DO IT YET, but remember, when you Scout Back, you are going to trade places with the one currently next to you. So on the call, SCOOT BACK, the men in this instance will step in and do a right arm turn (Allemande Right), letting go as they step forward returning to the line (wave) they came from. They will be standing in that Partner's footsteps. DON'T DO IT YET but as the men do this, the ladies who are facing out, will walk forward one step and turn (Wheel) 180° to step into the man's spot. The two adjacent dancers will have traded places.

Ready now? Scout Back

Callers: There is always a tendency for those who are arm turning to be reluctant to step back into the wave they just left. Emphasize the letting go of the arm turn and stepping forward into the wave they just left. Those doing the wheeling into their partner's place are also often hesitant about whether they have to do anything and where to go, so helping words will emphasize the jobs they each have to do.

Another way to describe SCOOT BACK is: those looking in EXTEND to a mini wave, Trade, Extend while those facing out Run into the spot vacated by those extending.

Now the girls are facing in and can see another girl's eyes on the right diagonal, so the girls will have to do the right arm turn and step forward to your line as the men 'flip' 180° into their spot.

Ready? Scoot Back, (Girls Right arm turn, boys "flip" around.) Again, all Scoot Back, and Scoot Back again. Now Girls UTB, All Square Thru 3/4, Allemande Left, 2 steps Home.

Routine #1: Heads Square Thru Four, Touch 1/4, Scoot Back, Boys Run, Forward and Back, Square Thru 3/4, Allemande Left, You're Home

A FINAL NOTE:

Now that you have finished teaching the Calls of SSD, remember that your dancers now need Floor Time - lots and lots of it with familiar figures and patterns. Please do not be tempted to start introducing them to the Extended Applications of the Calls, nor be tempted to start teaching them the rest of the Mainstream calls. They've been learning SSD for the past 5 months, they are SSD dancers - let them dance SSD!
